

## Donation Form

When you donate to Solar Citizens, you're supporting an organisation dedicated to growing and protecting solar in Australia.

We are completely independent and do not accept any government money or funding from the big end of town. Instead, we rely on the generosity of supporters like you to power our work.

Every dollar you donate goes towards protecting the rights of solar owners and campaigning for an Australia powered by clean energy from the sun.

*Thank you for your generous support!*
