Dear Claire,

We refer to your questionnaire letter requesting clarification on the Palmer United Party's position on Solar Citizens issues and respond as follows:

1. A Fair Price for solar fed into the grid - **YES**
2. No Discriminatory solar fees - **YES**
3. Trial solar storage – the way of the future - **YES**
4. One million solar rooftops - **YES**
5. Stand up for QLD solar jobs – protect the RET - **YES**

We trust you find our responses satisfactory

Yours Faithfully
