

## STAND UP FOR SOLAR – Sign the pledge!

Solar is under threat, with the big power companies pushing our governments to make decisions that have set solar and renewables back more than a decade. We have a plan for a sun-powered future and we want to show our politicians that solar is supported by people all around Australia. *Will you Stand up for Solar?*

First Name	Surname	Email	Phone	Post Code	Are you a solar owner? (Y or N)	Are you a solar worker? (Y or N)	Do you want to volunteer? (Y or N)

For more information visit [www.standupforsolar.org.au](http://www.standupforsolar.org.au).  
 To make sure these new solar supporters can join the tens of thousands of others around Australia, please transcribe these details into an Excel spreadsheet and upload at [www.standupforsolar.org.au/champion](http://www.standupforsolar.org.au/champion). THANK YOU!
