

## Sponsorship/Membership Form

*Solar Washington is a chapter of the American Solar Energy Society (ASES) and a registered 501(c)3 non-profit organization. Our mission is to further the development & use of solar energy, and support related technologies. This is accomplished through the exchange of ideas and information, with concern for the economic, environmental, and social fabric of Washington State. All levels of support receive email updates about solar activities and our email newsletter. Your Home information is necessary if you're signing up for an Individual Membership or to receive updates in addition to your business.*
