

PHOTOGRAPHY NON-PERMISSION / OPT-OUT FORM

SPCA Policy on Photos In Print And Web Publications

We think that using photos of members of our community in our print and web publications fosters a greater sense of community. Unless we are notified in writing that you object, photos taken at public events may be used in our print and web publications, including the **Shepherd Park News** and our website, www.shepherdpark.org. An opt-out form is available at www.shepherdpark.org or from the board president. We do not identify children under 18 by name without express permission from a parent or guardian.

Complete and return this form ONLY if you do NOT give permission for your child's photo appear in SPCA's print and web publications. This opt-out form does not apply to photos that might be taken and used by others who attend a neighborhood event, including photographers for media outlets such as the **Current Newspapers**.

We also request that if you notice someone taking your child's photo at a neighborhood event that you notify the photographer that you do not want your child's photo to appear in any print or web publications.
