The above shows the daily schedule for all the rinks that we will be using. You will notice there are both Closed and Open Practice Sessions offered during the morning, afternoon and evening sessions. A closed session is available for anyone who has pre arranged a partner to practice with. An Open session is for those that are willing to practice with anyone else who signs up to play on the same rink at the same time.

Once you are logged in use the drop down menu to select the date you want to book your reservation on - in this case we will click on Friday June 12

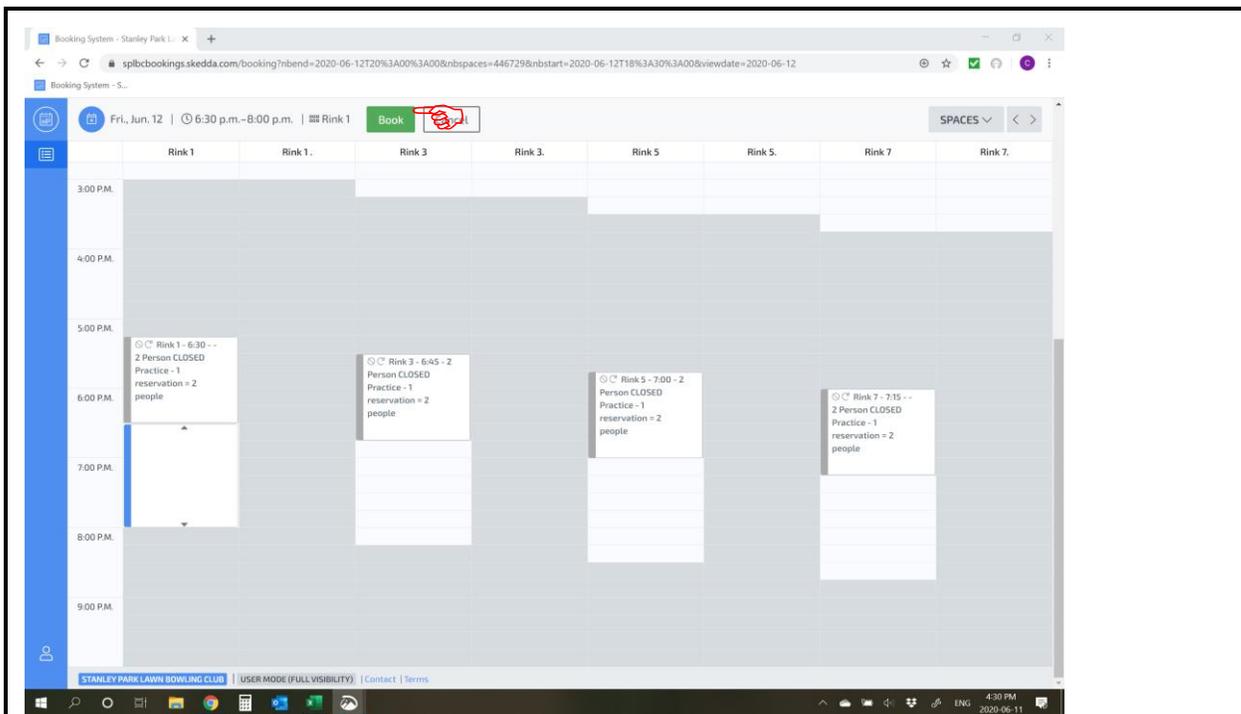

Scroll up or down to show the Morning, Afternoon or Evening Session. You will notice a red box - this indicates that where your mouse is currently positioned is not a bookable time slot. Once you move your mouse completely over one of the white boxes the red will turn to green as shown in the next slide.

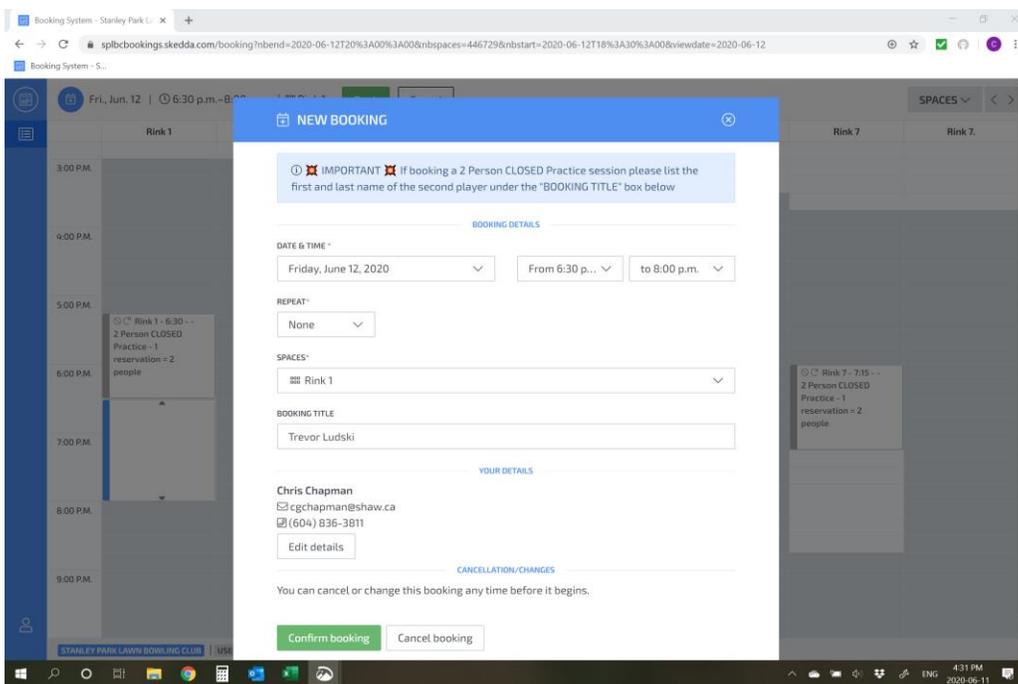

*Tip: You will notice at the top of the screen it says Rink 1, 3, 5 and 7. To see Rinks 15, 13, 11 and 9 click on the ">" located beside the word "Spaces" in the top right corner of your screen until you see the rink you are looking for.*

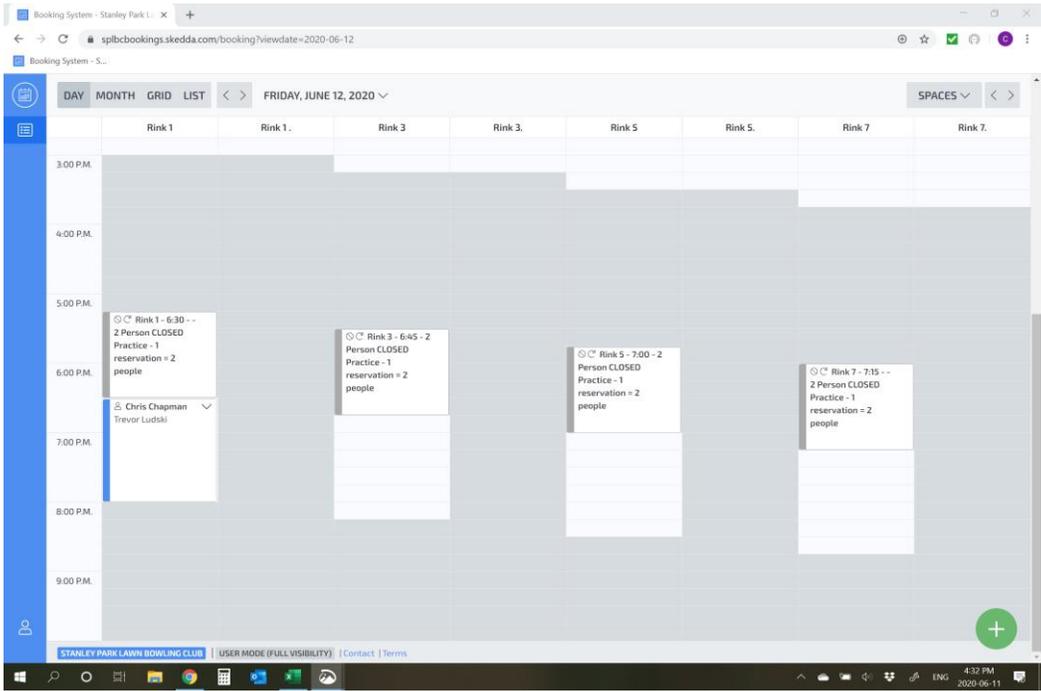

You will notice above the green box that it says Rink 1 at 6:30 is for a 2 person closed practice. This means you can reserve this rink for you and another member that you want to practice with. For this Exercise I will book this rink for Trevor Ludski and myself. Once I click on it the box will turn white with a blue line down one side as shown below.

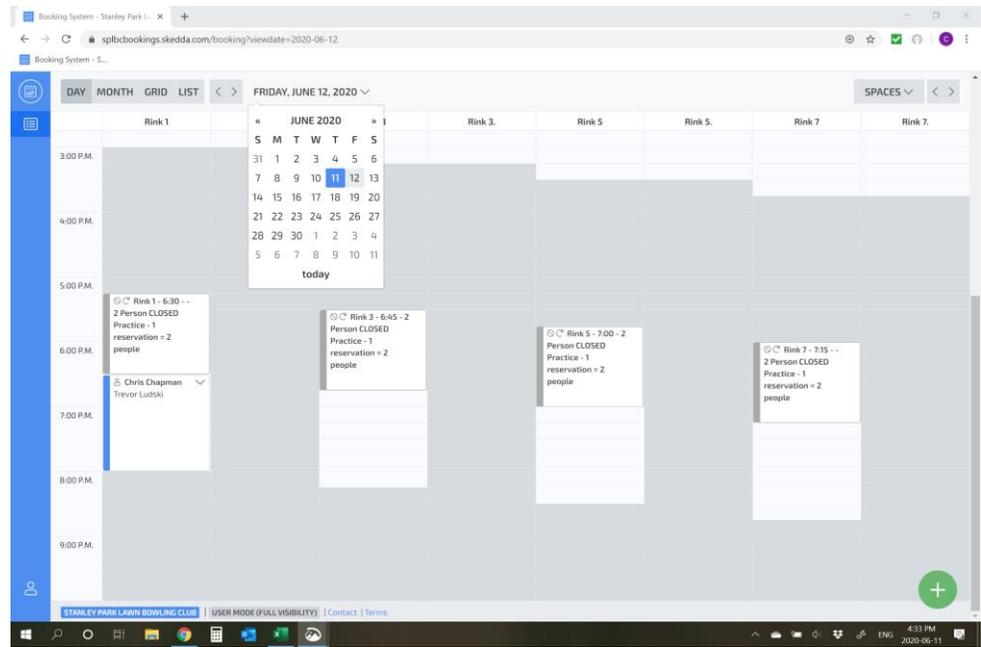

Now at the top of your screen you will click on "Book"

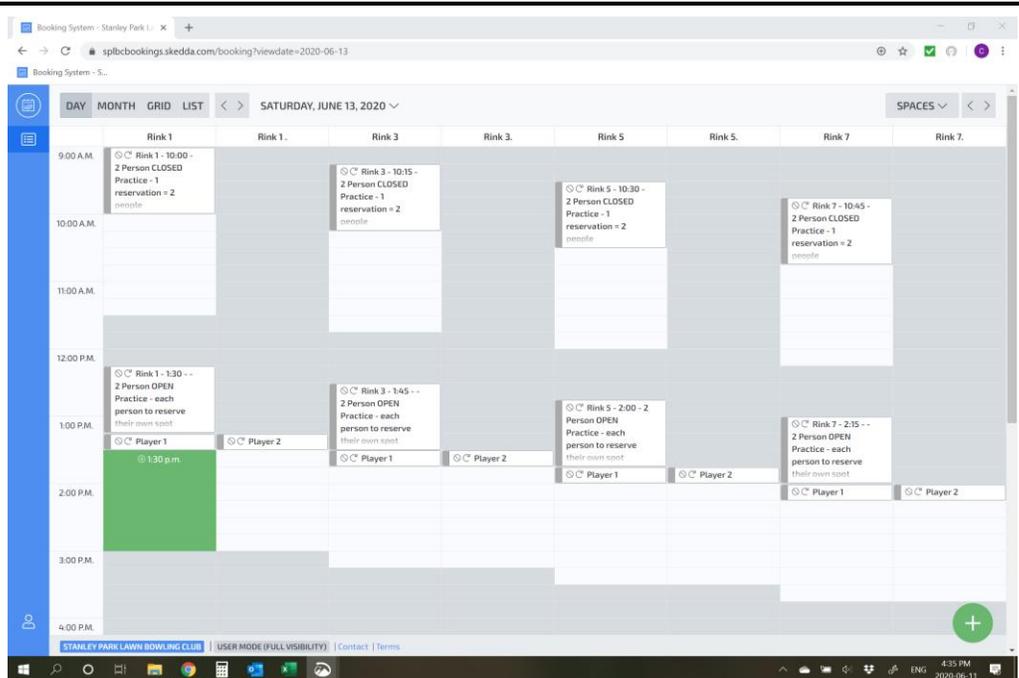

Note the important message at the top of the screen - Because the rink I have chosen to book is for a "closed practice" I must enter the name of the 2nd person that I will be bowling with. In this case I will enter Trevor Ludski and then click on Confirm Booking.

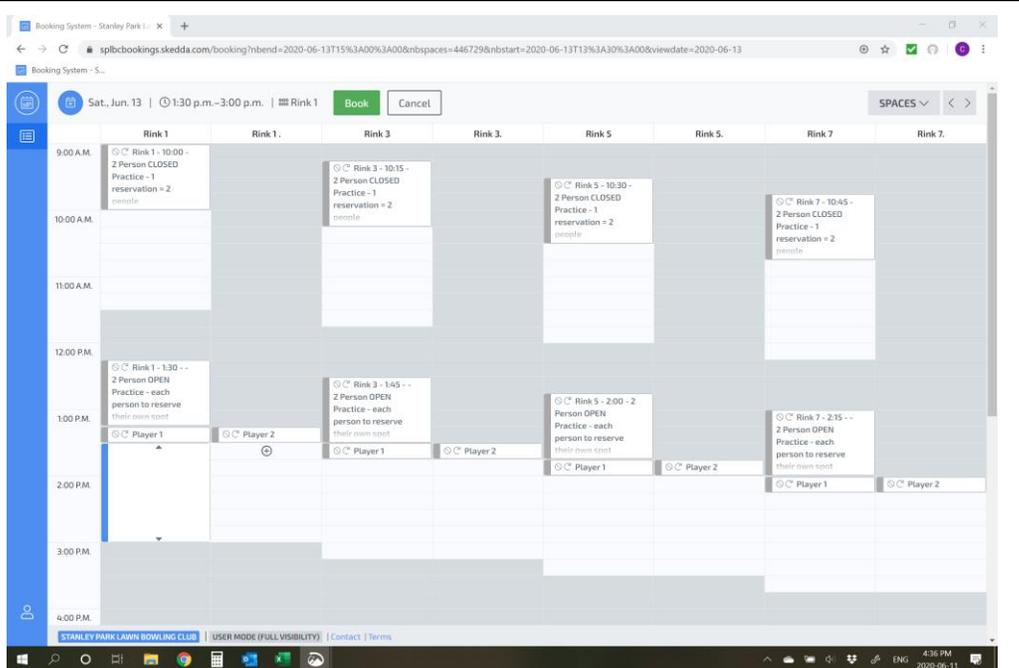

At this point our reservation is complete and I will receive an email confirming the details.

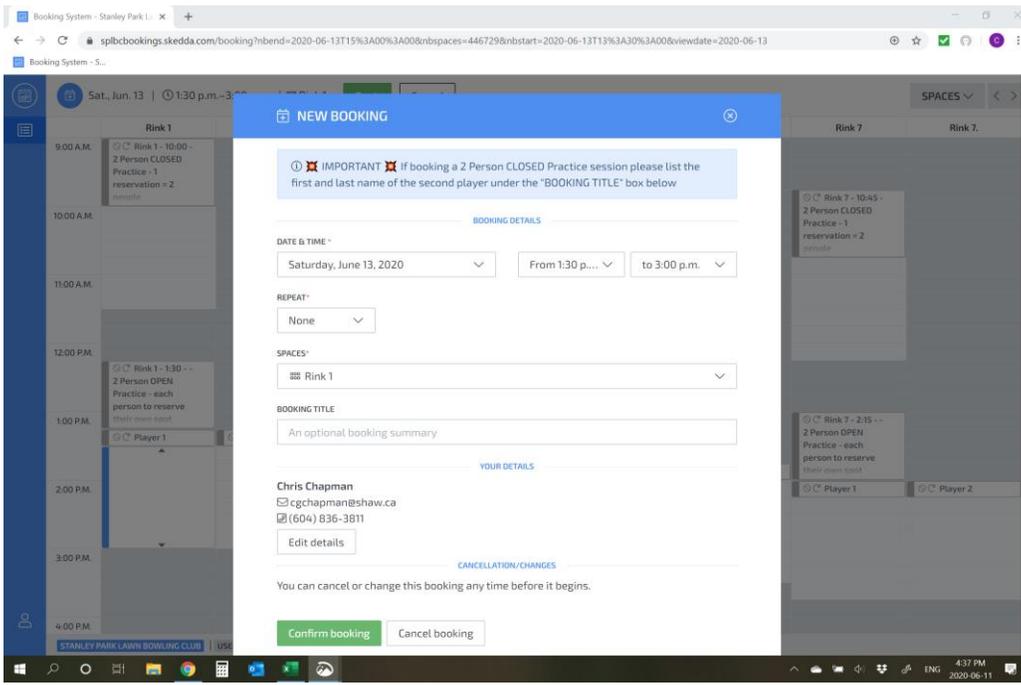

Now let's say I want to make a reservation for Saturday June 13th - I go up to the top and use the drop down menu to select the date

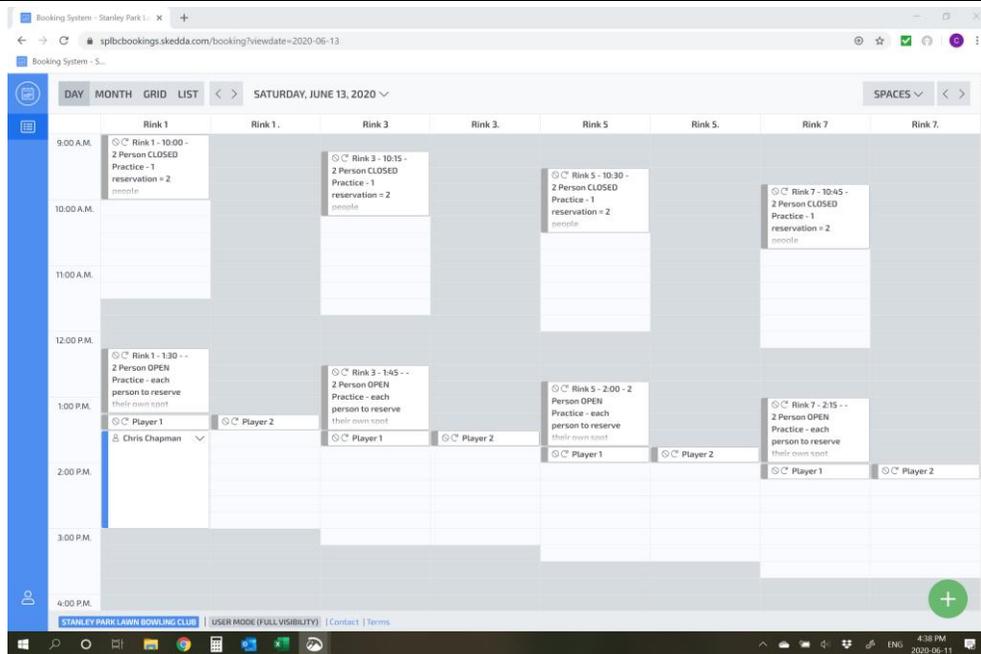

This time I have not made any arrangements to bowl with anyone else so I must book as a single player on a rink that is marked for a 2 person Open Practice.

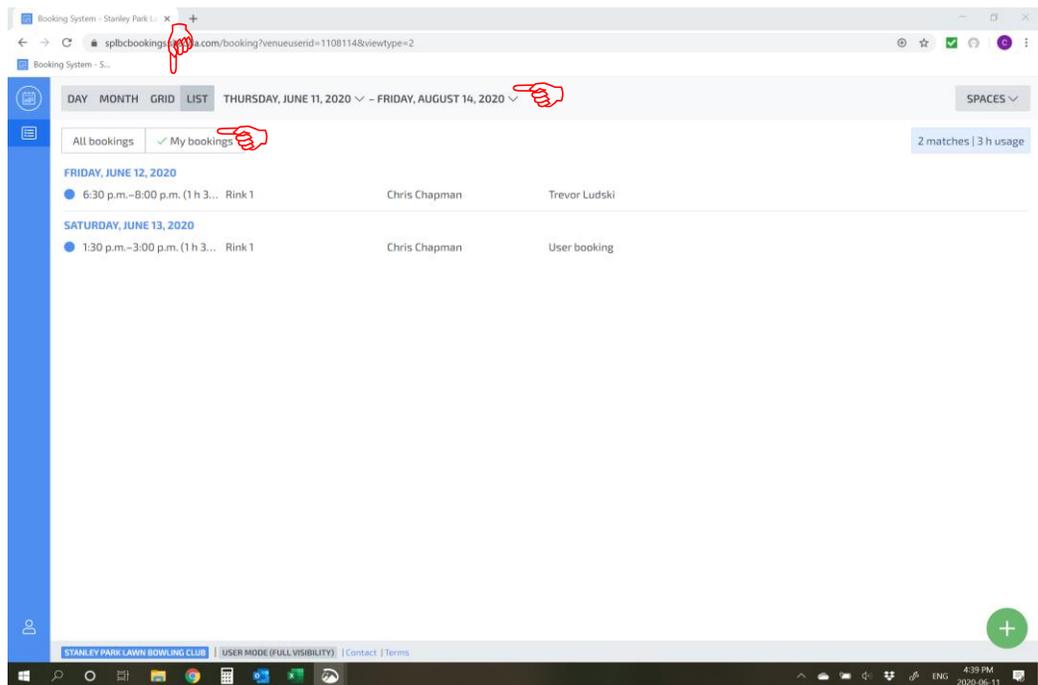

So once I click on the box it turns white with a blue line so I then click on "Book" to make the reservation.

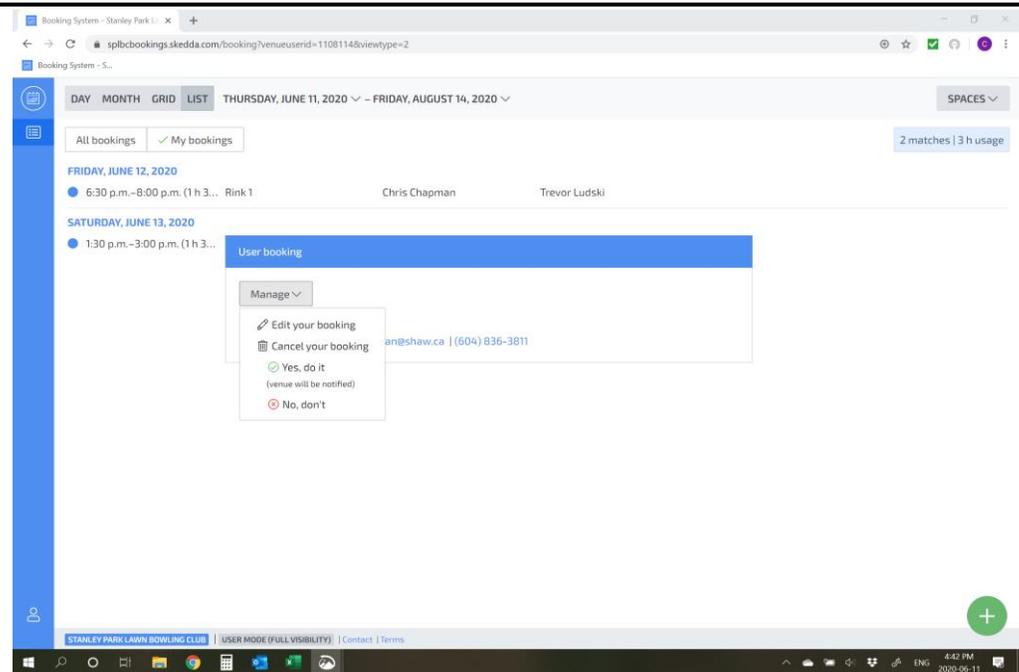

Notice the Important message at the top - The time slot I picked is not a closed session so I will leave the "Booking Title" box empty and click on Confirm Booking.

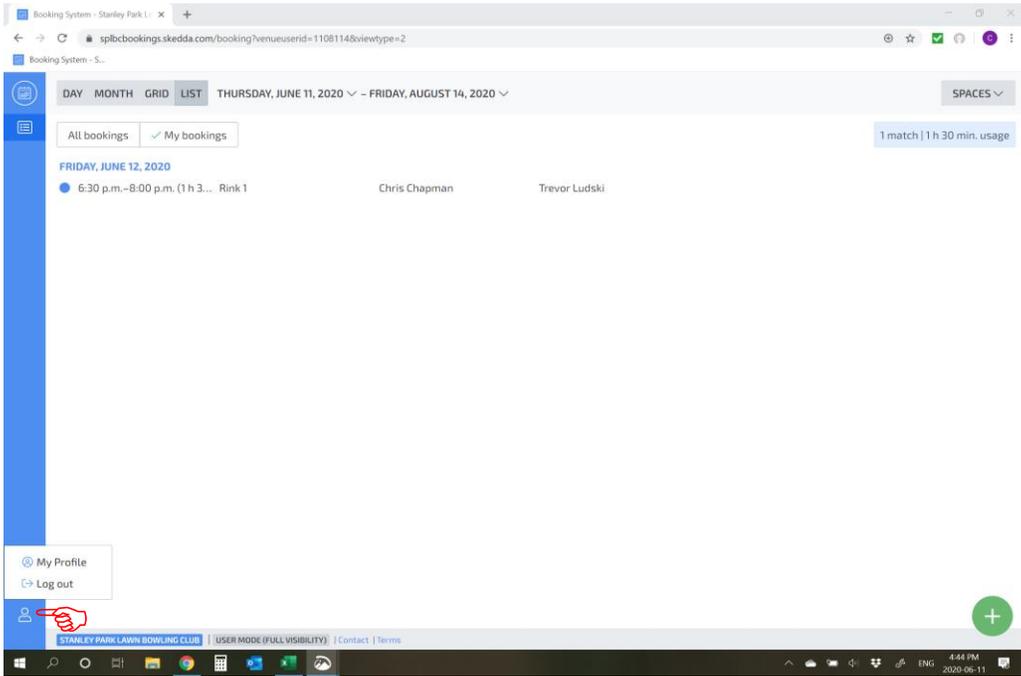

At this point my reservation is complete and I will get an email confirming the details. Note that the Player 2 spot on rink 1 is not reserved. Another member can now reserve the player 2 spot and the two of us will share the rink for our practice or If no one else books the player 2 spot then I will have the rink to myself.

If I want to see what reservations I have made I click on LIST at the top of the page and I put in the date range I would like it to display - in this case June 11th thru August 14. Then I click on My bookings and you will see the two reservations I just finished making.

If I wanted to cancel one of my reservations I would click on the reservation I want to cancel and then click on Manage then click on Cancel your booking and finally click on Yes, do it. You will see that the cancelled reservation no longer appears in my bookings list in the below screen shot.

Once you are done making your bookings you can log out by clicking on the little person figure in the bottom left of your screen and then on Log out.
