

SPLBC Guidelines for Safe Play

IMPORTANT NOTE: Older adults are considered a vulnerable population and are at greater risk of contracting COVID-19. Those at increased risk due to compromised immune systems should not take part in recreational or sport activities. However, it is up to the individual to understand their risks and make a decision about whether or not to participate.

PLEASE FOLLOW THESE SAFETY GUIDELINES:

You must book a rink in advance (no drop-in play allowed right now) using the club's reservation procedures. Once you have confirmed your online account go to splbcbookings.skedda.com to login and reserve your rink.

We strongly recommend you arrive wearing your bowling shoes and completely ready to play.

Arrive no sooner than 15 minutes before your reservation time. If you are not feeling well, stay home!

A medical questionnaire must be completed and signed every time you enter. To save time fill out the questionnaire before you arrive.

Disinfect hands upon entering club grounds.

Keep two metres apart at all times (yes, even people from the same household so you can get used to the physical distancing habit).

Follow ALL directional and procedural signage and comply with Monitor instructions.

It is recommended that you wear a mask when you enter the clubhouse (please bring your own mask, sanitizer, and any other personal protective equipment).

Only one person at a time allowed in each locker room, washroom, and bowls area.

It is the occupant's responsibility to sanitize touched surfaces in the locker rooms, washrooms, and bowls area.

Please bring your own water/snacks or use the washroom to fill your water bottle. The kitchen area is out of bounds and the bar is closed.

The use of club bowls is allowed. Ask the Monitor about selecting and returning your bowls.

Do not enter the equipment shed. Monitors will set up the rink in advance with clean equipment.

Only one person per rink can move or place the short mat, one person per rink can touch the jack and each rake can only be touched by one person. At the end of your practice take the equipment to the cleaning station and immerse in the soapy water provided. Long mats and rakes must remain in place on the rink.

Pick up **only the bowls** which you are playing with, don't handle stray bowls from other rinks, and don't share any equipment.

After your practice, **please leave the club grounds within 15 minutes.**

At all times, **please be respectful of the volunteers, who are there to keep us all safe.**

I acknowledge that I have read, understand and agree to follow the provisions of the club's Guidelines for Safe Play.
