

Peoples' Resolution 2016-02

A Petition by the Voters of Granite Shoals Texas Calling for an Initiative to Appoint Michael Steenbergen to the Board of Adjustment

Whereas it is necessary to maintain diverse views and opinions in local government, and whereas the people of Granite Shoals need a clear voice in that government, the Citizens of the City of Granite Shoals Texas by initiative create an ordinance, Peoples' Resolution 2016-02 appointing Michael Steenbergen, known Citizens' Advocate, to the City of Granite Shoals Board of Adjustment. If any new member has been appointed to said board since Michael Steenbergen's application to serve in this position in June of 2016, that appointment will be invalidated and vacated as necessary to allow the seating of Mr. Steenbergen on the said Board. The People of Granite Shoals So Order Their Council in this Peoples' Resolution 2016-02 Calling for Initiative Pursuant to Section VI of the City Charter.
