

Fellow Republicans,

In light of the state of emergency declared by President Trump and Governor Reynolds, we are cancelling our regularly scheduled March 16 Story County GOP Central Committee meeting. During this rapidly evolving situation, it is vital that we listen to the recommendations of our public health experts and avoid unnecessary gatherings. After review of our March meeting agenda, our Executive Committee determined that since there is nothing that requires immediate action the most prudent course of action is to cancel our March meeting. We will continue to monitor the situation and will communicate any changes to future events through email, social media, and our website. We appreciate your understanding of this decision.

Sincerely,
