Scottish Student Engagement Framework

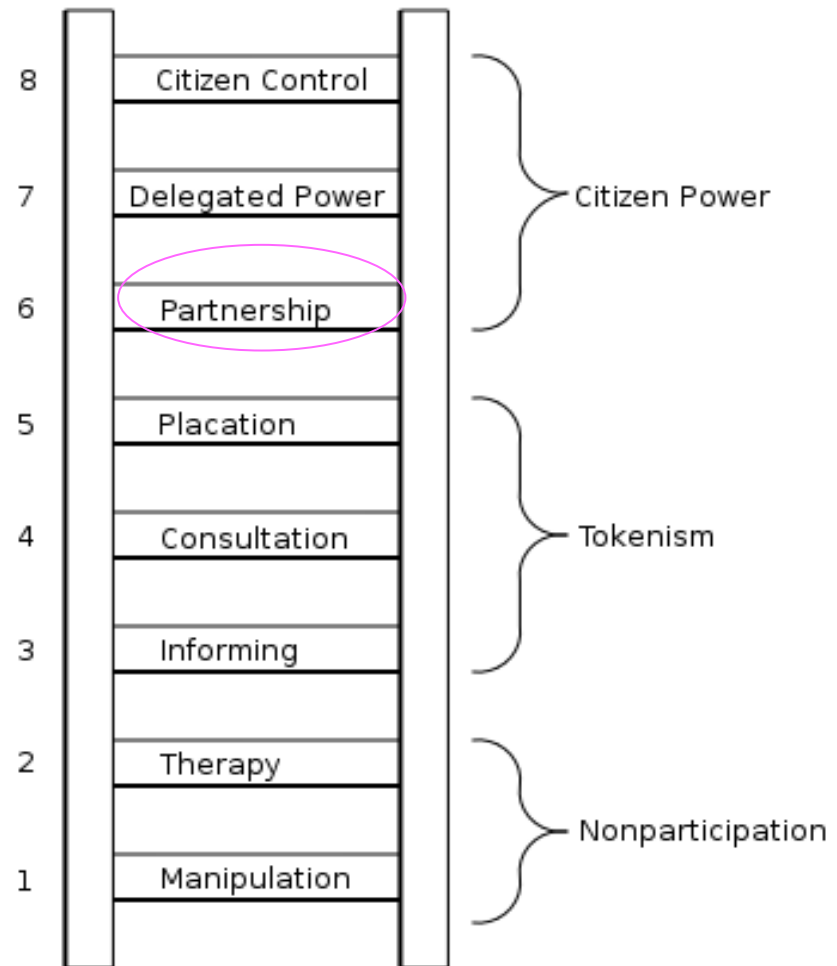

Partnership is a key concept – students have an equal role in shaping their experience which when fully realised goes beyond feedback, problem solving and membership of committees, to opportunities for real enhancement.

A Ladder of Citizen Participation

- Sherry R Arnstein

@sparqs_scotland

Students as Partners

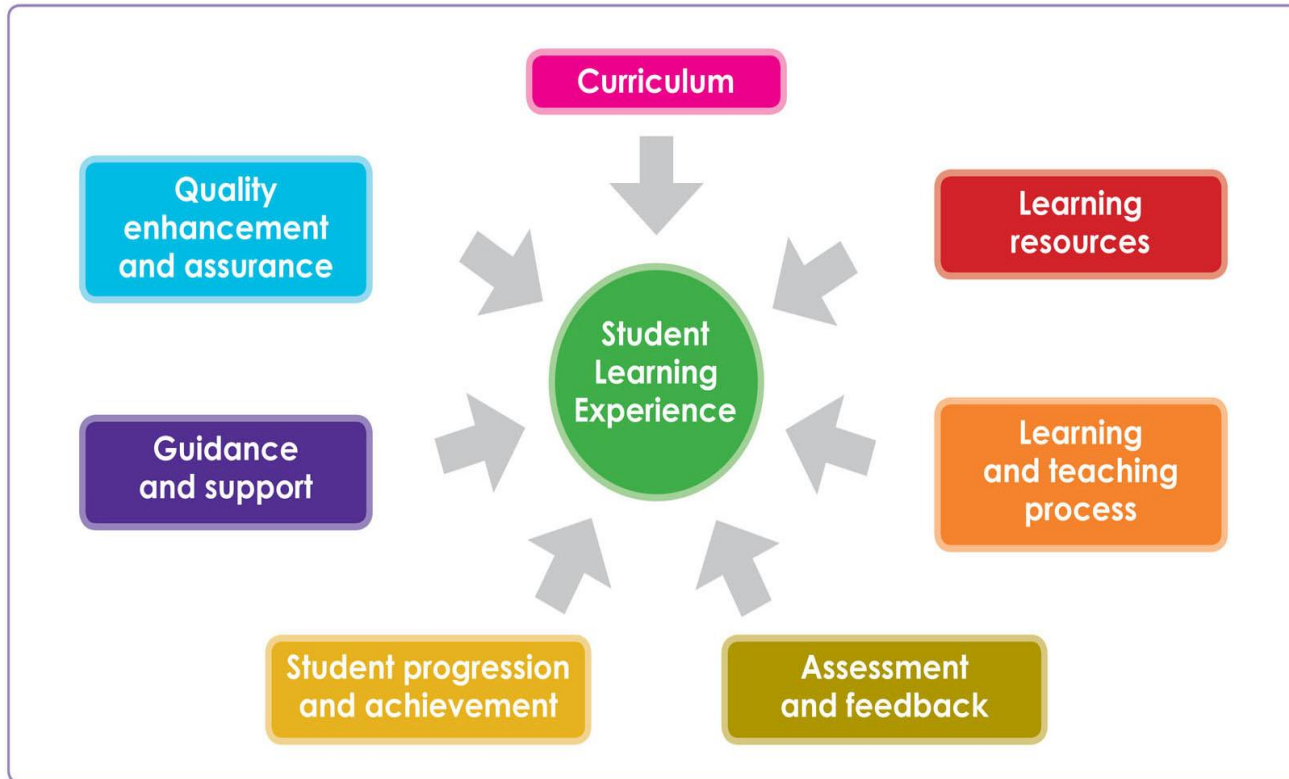

- Recognise issues relating to position, power and influence
- Different but equally valuable contribution of students as experts
- The role of the autonomous Students Association as a key partner– the ability to deliver a considered student view point based on hard evidence, democratic processes and due attention to meeting the needs of all students

The Student Learning Experience – students as experts

Celebrating Student Engagement

- Strategic, partnership led approaches
- Effective systems – linking SA with reps – School Officers
- Learning and Teaching focused student events
- Evidenced based student voice
- Student Led Learning and Teaching Awards
- Student Partnership Agreements
- Partnerships for Change
