

TREE SURVIVAL SCHOOL

March 28, 29, 30, 2017
8:30 a.m. - 4:00 p.m.

Holden Arboretum
Horticulture Science Center
9717 Mitchells Mill Road
Chardon Township, (Kirtland), Ohio
(directions on back)

\$135.00 per person for all three days
Enrollment limited to 35

Instructors: Alan Siewert (ODNR)
and Chad Clink (Holden Arboretum)

This three day school will be helpful to anyone who purchases, plants or cares for trees in a commercial or public landscape. The three days are divided between classroom and hands on outdoor learning experiences.

City service directors, tree commission members, cemetery workers, professional groundskeepers, and school groundskeepers should consider attending this program.

Participants are asked to dress for the weather and bring proper pruning tools (pruning saw, hand pruner, pole pruner, pole saw) and eye protection. The class is limited to the first 35 paid applicants. This program typically fills to capacity early.

The class qualifies for 15 Arborist CEUs. Questions? Call Alan Siewert at (440) 564-5883 for class content questions and credits. For available space and registration questions call Tami at (419) 627-7631.

Topics include: (Emphasis on trees from planting to 10 years of age)

Introduction and Tree Biology

Proper Transplant and Care of Trees Before They are Planted

Developing a Tree Maintenance Program Before You Plant

Watering Requirements

Proper Pruning of New and Established Trees

Buying and Selecting Trees in the Nursery

Proper Planting Methods

Protecting Trees

Insect and Disease Problems in Trees

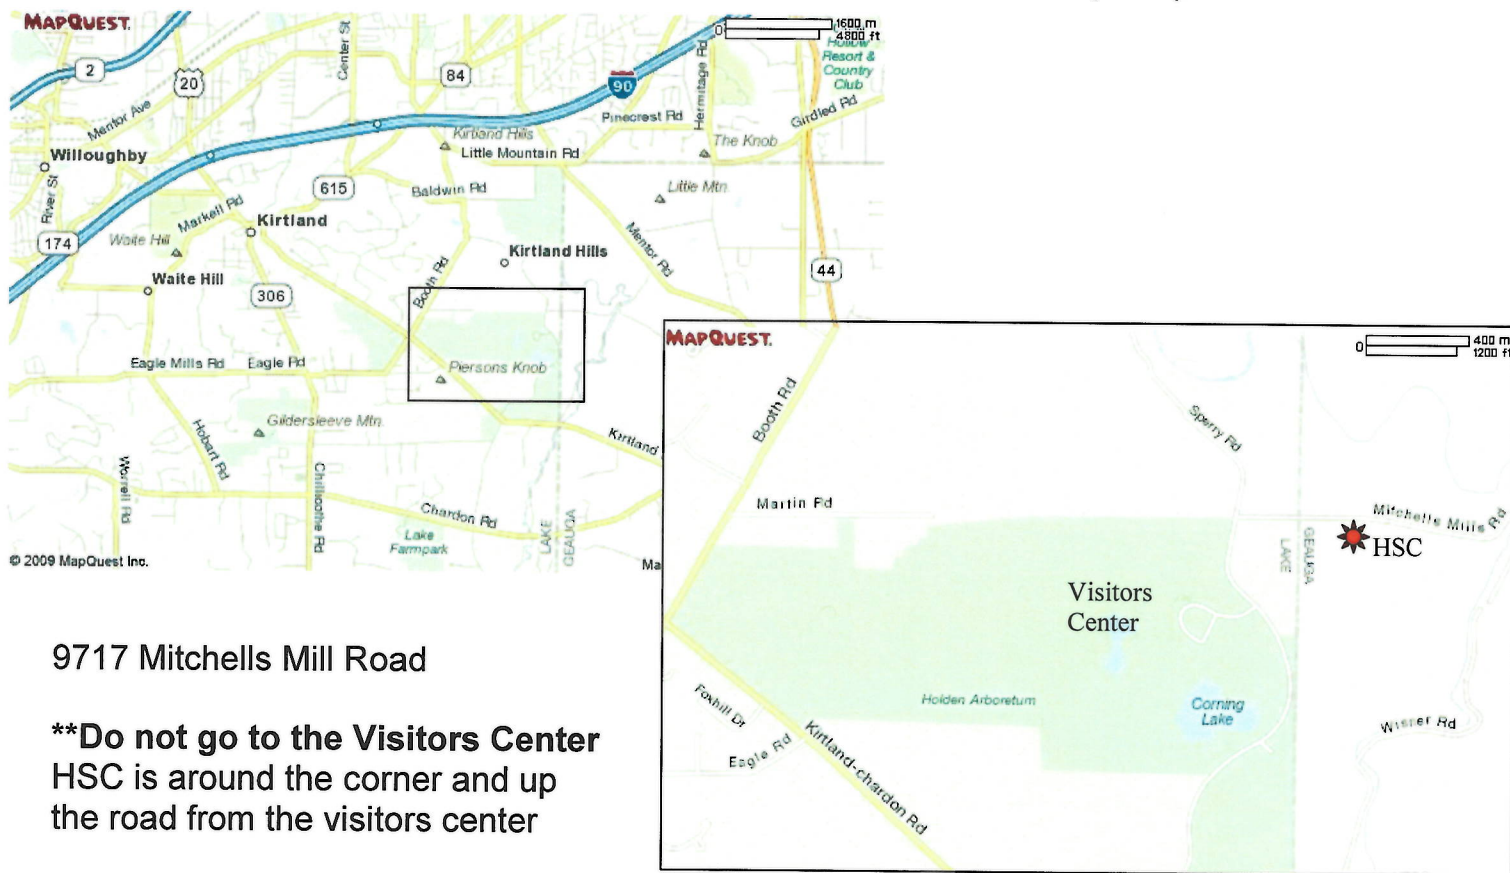

Proper Mulching and Fertilization

A COOPERATIVE PROGRAM WITH OSU EXTENSION AND ASSOCIATED GREEN INDUSTRIES

OSU Extension embraces human diversity and is committed to ensuring that all educational programs conducted by Ohio State University Extension are available to clientele on a nondiscriminatory basis without regard to race, color, age, gender identity or expression, disability, religion, sexual orientation, national origin, or veteran status.
