

The Human Legacy: Destruction vs. Conservation

Documentary — *Inhabit: A Permaculture Perspective* (2015)

Directed by Costa Boutsikaris

Presented by Shanelle Smith of the Trust for Public Land

This film features places and people who are taking steps to make agriculture regenerative and leave the planet in better condition than it is now. We are joined by Shanelle Smith from the Trust for Public Land (TPL) to discuss what we can do to protect our natural world. The Trust for Public Land is a nonprofit organization that works with communities to create parks and land that the public can enjoy.
