

## Sustainable Cleveland 2020 Virtual Summit

### Greater Cleveland Water Equity Partners: Supporting an Equitable Water Future

#### ***Breakout Summary:***

Ensuring that all people have access to safe, reliable, and affordable water and wastewater systems is the cornerstone of a sustainable and prosperous community. During this breakout session, members of the Greater Cleveland Water Equity Partners shared their journey as a collaborative group representing water utilities, non-profit organizations, and community leaders working to improve water equity in Cleveland. Representatives from Cleveland Water and the Northeast Ohio Regional Sewer District provided background on the partnership, discussed key water equity issues in Cleveland, and shared ways they are working to address these issues in partnership with the community.

#### ***Presenters:***

- Constance Haqq, Chief Administrative Officer, Northeast Ohio Regional Sewer District
- Alex Margevicius, Commissioner of Water, City of Cleveland
