**Day 2 Sustainable Cleveland Summit - Thursday, Oct 21<sup>st</sup>**  
**3:30 PM – 4:30 PM EST**

### **An Equitable Tree Canopy in Cleveland**

Join City of Cleveland Chief of Sustainability Jason Wood as he reviews an updated tree equity score for each of Cleveland's neighborhoods using current census and health related data. By examining social equity factors, tree planting can be prioritized across the City for a more equitable distribution of this valuable resource. Updates from the Cleveland Tree Coalition and the Forest City Working Group will also be given.
