

# SUSTAINABLE TRANSPORTATION at WORK

There are many actions Clevelanders can take at home, at work and in the community to help grow sustainable transportation. Actions include biking, walking, taking transit, carpooling, car sharing and much more! Not only do these actions reduce roadway congestion and carbon emissions, they also provide health benefits and improved air quality. [Share your success story here!](#)

**Participate** in the [Commuter Choice Challenge](#).

**Offer** the RTA [Commuter Advantage](#) program for employees -- a unique opportunity for employees to enjoy an added discount on public transportation fares.

**Become** a certified [Bicycle Friendly Business](#).

**Offer** preferential parking to carpools or efficient vehicles.

**Provide** electric vehicle charging stations.

**Learn More. Do More.**
