

SUSTAINABLE TRANSPORTATION in the COMMUNITY

There are many actions Clevelanders can take at home, at work and in the community to help grow sustainable transportation. Actions include biking, walking, taking transit, carpooling, car sharing and much more! Not only do these actions reduce roadway congestion and carbon emissions, they also provide health benefits and improved air quality. Check out our tips for how to get involved in the community. You can [share your success story here!](#)

- Organize** a carpool or join [OhioRideshare](#).
- Organize or join** group bike rides. You can see upcoming rides on the Bike Cleveland [events page](#).
- Join CiCLEvia**, a working group planning a series of car-free, Open Streets events for pedestrians and cyclists ages 8-80. Get involved in CiCLEvia [here](#).
- Host** community events in locations that are easily accessible by public transportation.
