Dear Leaders of the Town of Pittsboro and Chatham County:

Thank you for your efforts on behalf of the citizens and businesses of Pittsboro and Chatham County.

Your respective budgets will continue to move the town and county forward and be guiding documents for businesses and investors in the county alike.

As you work to make the finishing touches on your budgets for the 2015-2016 fiscal year, please take note that Chatham Park supports transit and understands that access to reliable and good quality transit options will be imperative as Chatham Park becomes a reality and Chatham County continues to grow.

We support Chatham County's wise decision this fiscal year to increase investment in Chatham Transit and we respectfully request that the leadership from Pittsboro and Chatham County work together and with Chapel Hill Transit and UNC to not only keep the Pittsboro Express Bus rolling, but plan to enhance that service as well along the 15-501 corridor now and well into the future.

Respectfully,

Tim Smith
