Who is Transportation for Massachusetts?

- T4MA is a statewide coalition of more than 70 member and partner organizations. We advocate for better, smarter transportation policies across the Commonwealth. Our members include:
  - Environmental advocates
  - Public health advocates
  - Planning agencies
  - Business associations
  - Community-based organizations
  - Grassroots non-profits
  - Transportation user groups and advocates
Our values for better transportation

- Transportation is the **path to opportunity and social equity**
- Transportation is a determinant of **public health**
- Sustainable transportation is key to solving and mitigating **climate change and local pollution**
- Good transportation choices create **strong communities**
