About Transportation for America

Transportation for America is the alliance of elected, business and civic leaders from communities across the country that want smart, locally-driven transportation solutions — because these are the investments that hold the key to our future economic prosperity.

Upcoming Workshops

Next in-person workshops and webinars are planned for...

January webinar (Date TBD)

Nashville: A Case Study on Integrating Health into Project Selection

Learn how Nashville addresses health, active transportation, and resiliency. Discover how Nashville incorporates these topics into project selection and their decision-making framework.

February 13, 2018: 12:00AM - 3PM

March 13, 2018: 11:00AM - 5PM

Today's Agenda

Workshop Learning Objectives:

T4America will work with Massachusetts' leaders to develop a shared understanding about how:

- Consider the implementation of performance measures in Massachusetts and the agencies that are driving statewide change;
- Analyze the application of performance measures in Virginia, their positives and negatives, and the lessons learned;
- Discuss how to better use performance management in Massachusetts to define transportation success in a way that is relevant to stakeholders and reflects the region's goals.

Today's Experts

Beth Osborne

Transportation for America (T4America)

Chad Tucker

Virginia Department of Transportation (VDOT)

Thank You
