TASC Volunteer Opportunities

School Group Mentor Volunteer

This is a direct service position that is ongoing and long-term.

This is approximately 4 hours per month. The school group mentor attends the established school group parenting meetings, coordinates with the school group liaison and the TASC representative for physical resources or any other support the girls may need, and may provide more one-on-one self-empowerment-type support, as applicable.

This individual is an advocate, wants to share their knowledge, and build a strong relationship with the girls in the group. The best person for this role will be non-judgemental and optimistic, and be okay when others don't necessarily make the same choices as them.

Adult Mentor Volunteer

This is a direct service position that is ongoing and long-term.

Similar to the school group mentor, this position attends the meetings. However, these meetings in our offices, coordinates with the girls and the TASC representative for physical resources, and may provide more one-on-one self-empowerment support, as applicable. This is not a school group but functions similarly to how a school group functions.

This individual is an advocate, wants to share their knowledge, and build a strong relationship with the girls in the group. The best person for this role will be non-judgemental and optimistic, and be okay when others don't necessarily make the same choices as them.

Special Events Volunteer

This is a direct and indirect service position that is short-term and may have ongoing annual events.

This position helps coordinate various events through the First Steps, The Closet, and Teen Thrive programs -- including Christmas Teen and Day of Promise.

New Hope Office Volunteer Admin

This is an indirect service position that is ongoing and long-term.

This position is flexible, however, we do ask for a consistent schedule. This position works with the directors in the office to help file paperwork, answer phones, light data entry, and coordinate the resources in our offices, making sure they're being allocated and restocked as necessary.

PLEASE NOTE THAT ALL Volunteer Positions must be able to pass a background check, including an NSOPW check, and is required to attend a 2 hour training.
