Dear Fellow Republican:

We are proud to sponsor & announce the "PolitiChicks", Ann-Marie Murrell & Morgan Brittany will be coming to Five Points Washington on Friday, July 15th!

The "PolitiChicks" will be here to share their thoughts and insight into the upcoming Presidential race and the state of the Republican Party. Their appearance will help the Tazewell County Republican Party in raising some very needed funds.

We need to raise funds to achieve our goals which include above all - funding our local election efforts for 2016. Our fund raising goals are;

- * Fund our local efforts to win in November!
- * Upgrade our booth/exhibit for festivals
- * Make much needed repairs to our fire truck and trolley
- * Provide seed money for the 2017 Lincoln Day Dinner
- * Maintain a GOP headquarters in Pekin

Please consider attending this once in a lifetime event! We are praying that this event will lead to an opportunity to bring Mike Huckabee to Tazewell County next year!

Mike has emailed us a comment and asked us to include it in our invitation and it is located below.

Please help us spread the word about this event and consider becoming a sponsor! Even if you cannot attend, you can become an event sponsor or simply make a contribution.

I cannot stress enough the importance of making this event a great success and improve the strength of our funding.

Sincerely,

Mary Burress

Congratulations to the Tazewell County Republicans for having their fundraising event with some special friends of mine, the "Politichicks". These beautiful American women are brainy and fun, and they make liberals heads explode because they speak the truth with a "bless your heart" style that makes the opposition run for cover. I know you'll have a great event!

The "PolitiChicks"

Ann-Marie Murrell left her native Texas home in her early 20's to pursue an acting career in Los Angeles, appearing in various film and television shows such as ABC's 'Sledge Hammer', 'Young and the Restless' and the movie 'Sunset Strip'. These days Ann-Marie's television appearances are on shows that include Fox & Friends, Hannity, the Dr. Phil Show, Lou Dobbs, C-SPAN, CNN International, and MSNBC. In 2014 Ann-Marie was a panelist at the National Security Summit in D.C. She has interviewed hundreds of conservative leaders and celebrities and was one of the last reporters to interview the late Andrew Breitbart.

Morgan Brittany has been a film, stage, and television star since the age of five when she appeared in two Alfred Hitchcock films, The Birds and Marny. She played 'Baby June' in Gypsy starring Natalie Wood and Roslyn Russell, and was one of Henry Fonda's daughters in Yours, Mine, and Ours. Morgan appeared in 3 episodes of The Twilight Zone, was Opie Taylor's first girlfriend on the Andy Griffith Show, and later she gained worldwide fame as Katherine Wentworth on ABC's 'Dallas.' Morgan is possibly one of the most rare actresses in history, having successfully worked as a child star, then a teenage star, then had a successful career as an adult television star.

Please join us for a special evening - just before the GOP Convention!
Program will include a question & answer period!
