Mark,

The officers of the Tazewell County Republican Central Committee endorse your candidacy for United States Senator from Illinois.

Expanding the 52-member Republican majority in the U.S. Senate on November 3 is vital to continue progress on President Trump's agenda and judicial nominations. Your election victory over Dick Durbin is crucial to flipping one more Senate seat to Republicans.

We greatly appreciate your attendance at our February 18 Candidate Forum in Washington Illinois. You spoke in support of President Trump's China policy, before the COVID-19 pandemic. You support President Trump's healthcare and immigration policies. Your law enforcement background included common sense approaches toward school safety and the opioid crisis. All are refreshing opposites of what we know that Senator Durbin supports.

With this endorsement comes an offer to recruit volunteers for your campaign. This year's chaos has prompted many Tazewell County voters to contact us offering to volunteer. Similarly, we are experiencing a surge in requests for Trump/Pence 2020 campaign signs from people who had no prior relationship with Tazewell County Republicans. Emotions are high and people, many for the first time, want to work to stop the erosion of their constitutional rights.

The stakes are high and we are with you.

Signed,

James J. Rule
