Esther Joy,

The officers of the Tazewell County Republican Central Committee endorse your candidacy for United States House of Representatives from the 17th Illinois District.

Electing 218 Republicans to the U.S. House on November 3 is vital to end the torrent of investigations and far-left legislation that have been the hallmark of Speaker Pelosi's current tenure. Your election victory over Cheri Bustos is crucial to flipping 17 seats to Republicans.

Your entrepreneurial experience, your missionary and aid worker experience, your military service, and your legal service to the State of Illinois all demonstrate the conservative, family values that we in Tazewell County expect. For many in Tazewell County, replacing pro-abortion, 100% NARAL Cheri Bustos with a pro-life Republican may be the decisive factor when they enter the voting booth.

With this endorsement comes an offer to recruit volunteers for your campaign. This year's chaos has prompted many Tazewell County voters to contact us offering to volunteer. Similarly, we are experiencing a surge in requests for Trump/Pence 2020 campaign signs from people who had no prior relationship with Tazewell County Republicans. Emotions are high and people, many for the first time, want to work to stop the erosion of their constitutional rights.

The stakes are high and we are with you.

Signed,

James J. Rule
