Mark,

The officers of the Tazewell County Republican Central Committee endorse your candidacy for Illinois General Assembly Representative from the 91th District.

Electing 60 Republicans to the Illinois General Assembly House on November 3 would be an enormous change in Illinois politics but we are anxious to help in any way we can. Keeping the 44 seats currently held by Republican Representatives is absolutely critical. Your election victory over Josh Grys and retaining this as a Republican seat, therefore, is among our top priorities.

We support your stated mission "to achieve fiscal responsibility, promote positive ethical reforms to clean up our state and improve the quality of life for Illinoisans." Likewise, we believe you will be up to the daunting task of your goal of increased communication between Democrats and Republicans in an Illinois House that is dominated by 63% Democrats. Simply put, the Democrats routinely refuse to permit Republicans at the table when policy is formed. Relentless determination will be required.

With this endorsement comes an offer to recruit volunteers for your campaign. This year's chaos has prompted many Tazewell County voters to contact us offering to volunteer. Similarly, we are experiencing a surge in requests for Trump/Pence 2020 campaign signs from people who had no prior relationship with Tazewell County Republicans. Emotions are high and people, many for the first time, want to work to stop the erosion of their constitutional rights.

The stakes are high and we are with you.

Signed,

James J. Rule
