Darin,

The officers of the Tazewell County Republican Central Committee endorse your candidacy for United States House of Representatives from the 18th Illinois District.

Electing 218 Republicans to the U.S. House on November 3 is vital to end the torrent of investigations and far-left legislation that have been the hallmark of Speaker Pelosi's current tenure. Your re-election victory over George Petrilli is crucial.

You represent Tazewell County well. We could list numerous examples of votes, leadership and constituent service that have earned this endorsement for you. For brevity, we will simply say thank you. We are especially grateful for you twice challenging Governor Pritzker regarding his attempts to hijack COVID-19 federal funding to communities and businesses. It is evident that you can effect state politics even as a federal legislator. Illinois needs you in the U.S. House.

With this endorsement comes an offer to recruit volunteers for your campaign. This year's chaos has prompted many Tazewell County voters to contact us offering to volunteer. Similarly, we are experiencing a surge in requests for Trump/Pence 2020 campaign signs from people who had no prior relationship with Tazewell County Republicans. Emotions are high and people, many for the first time, want to work to stop the erosion of their constitutional rights.

The stakes are high and we are with you.

Signed,

James J. Rule
