

First, and most importantly, thank you for all you have done to help me serve the people of Illinois in the state Senate. It has been one of the most rewarding – if not also one of the most frustrating – opportunities in my life and I would not ever have had the opportunity without the dozens of volunteers and donors who have invested in our team.

Our frustrations point to one thing, we need strong leaders in Springfield who will fight for parents, not politicians. Illinois must be restored as a great place to work and raise a family. After nearly two years of no checks and balances in state government our eyes are wide open to the failures of one-party rule. The pain inflicted on parents, students, business owners, and particularly on working families is practically unprecedented over the past couple of decades. Legislative oversight, as prescribed by our Constitution, must be restored. My wife and I are blessed with 2 fantastic kids, Steel and Sophia. They, like your kids, grandkids, nieces, and nephews, deserve to live in safe communities, where we support law enforcement and first responders. They deserve an education that prepares them for success. They are missing two years, with no plan to make that up and get them up to grade level performance. The erosion of public safety and education simply won't do if we want them to have a brighter future and we want to retain a competitive workforce in Illinois.

Those issues are why I am running for re-election to the Illinois State Senate in the newly redrawn 47th District where I live. Here's how you can help:

- 1) **GATHER PETITION SIGNATURES.** Ask 10 registered voters from your neighborhood to sign the enclosed petition sheet. I've included a list of easy instructions on how to collect signatures. These petitions, once filed, allow my name to appear on the ballot for the June 28, 2022 Primary Election. Your signature on the petition as a petition circulator must be notarized, which means you will have to sign it at the bottom in the presence on a notary public (this is a service available at most banks and credit unions). We ask that you please **return the enclosed petition by March 1 to the address on the instructions or to your county chair.** A map showing the boundaries of my legislative district under the new redistricting map is also enclosed.
- 2) **GET MORE INVOLVED THAN EVER BEFORE THIS CYCLE.** We have a great opportunity to beat JB Pritzker, fire Nancy Pelosi, and flip state house and state senate seats across Illinois. We also have many countywide offices we have to protect or flip. A redistricting year puts everything up for grabs, and we have to work hard to make this a fantastic year for Illinois Republicans and for conservative candidates!

I have worked hard at ensuring my office provides top-notch constituent services and a provides a strong voice to protect taxpayers and get Illinois back on track. I am asking for your help to get on the ballot and a financial boost to support that effort. Thank you so much for your help as we work to make our Illinois a better place to live and raise a family.

Sincerely,

A handwritten signature in blue ink that reads "Neil".

Please feel free to use it in the field to determine where the boundary lines are if there are questions about where a voter lives, where you are circulating the petition, or anything else that may come up. Thanks!

Directions for Circulating Neil Anderson's Petition

1. You need not have voted in a previous Republican Primary and may even have voted in a Democrat Primary or not even have voted in a primary at all.
2. You must be at least 18 years of age. However, if you are 17 years old and will be 18 by the date of the General Election, and are a U.S. citizen, you may also circulate this petition.
3. You must personally witness all signatures made on this petition.
4. You may sign your own petition if you are a registered voter within the district.
5. You may pass this petition anywhere in the 47th Legislative District.
6. You may not circulate petitions for more than one political party.
7. Petitions with fewer than 10 names do count. If you are not able to fill an entire petition, send in the partially completed petition. Each name counts.
8. If you learn a signature is not valid, do not worry. Bad signatures do not knock out other good signatures or invalidate a petition. HOWEVER, known bad signatures should be brought to the attention of the campaign, so that they can be officially deleted. A circulator who recklessly and routinely disregards the signature gathering rules may have an entire sheet stricken even though some signatures are valid.
9. You must sign as the circulator of the petition before a Notary Public licensed in Illinois and the Notary Public must affix his/her seal or stamp. Most banks and libraries will notarize free of charge.
10. DO NOT number the petition page.
