

ACTION FORUM NETWORK

**We are a community that
cares about all our children**

From roots
to treetops,
we're all in this
together

Networking

1. Introduce yourself
2. Why did you decide to attend today's TCM Talk? What are you hoping to learn?

Networking

3. Describe a time in your life when you got a second chance (in school, work, relationships), and what opportunities did that second chance provide you?

See to Succeed

TCM TALK

Examining Our Pipeline: What are the economic and public safety impacts?

Tia Martinez, Principal
Forward Change

Prezi Presentation

Questions & Answers

Pair Share

1. What came up for you that may have challenged your assumptions around these issues?
2. Were there any AHA moments that connected with your personal and professional life?

Table Talk – Please Chart

What are some strategies that we already know are working to address some of these critical issues?

(Things we have learned at these forums, things you may have learned in your work or from your personal experience).

Update: Fresno Cradle to Career
