

DON'T BE FOOLED BY MISINFORMATION

The Freedom Foundation is an anti-union organization whose mission is to “weaken”, “defund”, and “dismantle” your ability to get ahead through your union. Compare our values with the theirs.

Who advocates for us?

AS TEAMSTERS WE...		FREEDOM FOUNDATION...
✓ Push to raise wages and keep up the cost of living	Wages to Raise a Family	Fights AGAINST wage increases ✗
✓ Fight for secure retirement	Retirement	Opposes defined benefit plans ✗
✓ Fight to sustain good, affordable health benefits	Good Benefits	Fight AGAINST efforts to improve our health benefits ✗
✓ Support strong families and healthy communities	Strong & Healthy Communities	Opposes and lobbies against paid sick leave ✗
✓ Advocate for worker power	Respect at Work	Opposes union rights ✗
✓ Elect our leadership and operate with full transparency	Ethical practices	Little transparency and funded by wealthy special interests ✗

The Freedom Foundation wants to confuse and misguide us into abandoning our union membership. We won't fall for it. They're not about Freedom and don't share our values. We need a strong union. Together we can continue to negotiate to improve our jobs and make life better for ourselves and our families.

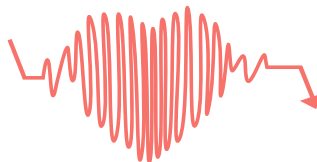

“If we stand together no one can stop us and we can win.”
