

# WHY DOES THE FREEDOM FOUNDATION WANT YOUR PERSONAL INFORMATION?

The Freedom Foundation is fighting against our legislative bill to protect **your personal information.**

They want to **EMAIL, CALL OR EVEN VISIT YOU AT HOME** and try to get you to abandon your union brothers and sisters.

**DON'T BE FOOLED.** They are not about freedom. They want to weaken our ability to stand together with our co-workers for family wages, better benefits and safe working conditions.

"Before we were Teamsters, we were alone in the cold. Now that we're Teamsters we never have to fight alone again. We need to remember our past and stay unified for our future."

**Carl Beatty, CO2 at Monroe Correctional Complex**

**By committing to one another and sticking with the union we can continue to push for improvements in the difficult work we do and create better lives for our families.**

# WHO'S GOT YOUR BACK?
