North Brunswick, NJ 08902

Dear Mr. Soehl,

YRC Freight and Holland are requesting a Multi Region Change of Operations hearing during the week of February 22, 2021 in accordance with Article 8, Section 6 of the current NMFA. This Change of Operations utilizes the language negotiated in the current NMFA to close the YRC Freight, Inc. Greenville, SC Terminal and merge those operations into the Holland Spartanburg, SC, Columbia, SC, Chattanooga, TN, Atlanta, GA and Charlotte, NC Terminals. The purpose of this change request is to increase density and load factor on linehaul movements, improve service, reduce empty miles, eliminate certain fixed costs (building and lease expense, management staffing, taxes, communication expenses, etc.) and improve efficiencies.

The company fully intends to comply with the terms of the National Master Freight Agreement and all the involved Supplemental Agreements.

Should you require any additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Sam Pilger" followed by a small mark.
