

TDU MEETING

SATURDAY, FEB 2 @ 10AM

From Voting No against contract givebacks to electing reformers to lead our locals, Teamster members are organizing for change.

Come to the TDU meeting to talk about next steps for the Teamster reform movement locally and nationally.

Fed up with concessions and Hoffa-Hall, Teamster members are organizing for change.

We're organizing to elect new leaders in our locals unions and at the International.

We're organizing to end the Two-Thirds Rule, a constitutional loophole that Hoffa used to impose the UPS contract after the majority of members voted to reject it.

We're working together to beat apathy and educate new members and ourselves.

Come to this meeting of NY-NJ TDU to get national and local updates and to plan next steps for the Teamster reform movement.
