

# VICTORY!

## GRASSROOTS ORGANZING SAVES PENSIONS

**You did it!** The Butch Lewis Emergency Pension Relief Act is now the law of the land!

That stroke of the pen means that 400,000 Teamsters and 2.5 million workers will no longer lose the pensions they earned with a lifetime of labor.

It took eight years of grassroots organizing to save our pensions. Eight years of meetings, rallies, phone calls, lobbying, and protests.

Not everyone lived to see this victory. We lost Butch Lewis, the Teamster and TDU leader, who helped launch the movement and died from the stress of organizing against the pension crisis.

We humbly thank you and all the pension movement activists for your organizing, commitment and sacrifices.
