

MEET TROUBLEMAKERS For a New Labor Movement

a Fundraising Party for Grassroots, Progressive Unionism

Join fellow labor activists, fighters for worker justice, and our allies and friends. Support the movement for grassroots, progressive unionism. Learn about TDU, the movement to transform the country's most powerful union.

Teamsters for a Democratic Union is at a crossroads. In last year's election in the Teamsters, the reform candidate for Teamster General President won the majority of the vote in the U.S. TDU is building a movement to finish the job and transform the Teamsters from the bottom up.

We've launched the TDU Future Fund to raise \$150,000 to sustain TDU and enable us to transform the Teamsters Union through progressive grassroots organizing. Meet TDU National Organizer Ken Paff, the architect of TDU campaigns to defeat mob control of the Teamsters and win the right to democratically elect Teamster leaders.
