Supervisors will not perform bargaining unit work employee's work until after all reasonable efforts have been exhausted to have the work covered. However, in cases of unexpected absentees or to prevent service failures, supervisors may perform such bargaining unit work as necessary to complete that day's (or night's) work schedule. The job steward will be provided with employee assignment information upon request. The Employer shall make every reasonable effort to maintain a sufficient workforce to staff its operations with bargaining unit employees. The Employer also agrees that supervisors or other employees of the Employer who are not members of the bargaining unit shall not perform bargaining unit work in preparing the work areas before the start of the Employer's hub, preload or reload operation, nor shall the Employer send any bargaining unit employees home and then have such employee's work performed by a supervisor or other employees of the Employer who is not a member of the bargaining unit.

(B) When additional employees are necessary to complete the Employer's operations on any shift or within any classification, the supervisor shall exhaust all established local practices to first use bargaining unit employees including where applicable, double shifting, early call-in, and overtime.

(C) If there is no established local practice the following shall apply with regard to inside work. Within each building, each operation will maintain appropriate list(s), by seniority, of those part-time employees requesting coverage work. It will be the employees' responsibility to sign up on the appropriate list. The Company shall post such lists and employees who are interested in adding their names to the lists shall do so on the first working day of each month. It will be the employee's responsibility to make sure his/her contact information is correct. Employees who are unavailable to work on three (3) separate occasions within a calendar month shall have their names removed from the coverage list. Those employees shall be eligible to resign the list the following month. When coverage work is available, the Company will use the appropriate list to fill the required positions, and such employees will work as assigned. The employee must be qualified for the available work and double shift employees shall have seniority among themselves. No employee is allowed to work more than two shifts in any twenty-four (24) hour period. Local call verification practices and procedures shall remain in place.

Nothing contained in this Section shall change existing practices or procedures covering full-time work.

(D) If it is determined at any step of the grievance and/or arbitration procedure that this Section, or a “supervisor working” provision in a Supplement, Rider or Addendum, has been violated, the aggrieved employees will be paid as follows: (a) if the actual hours worked by the supervisor amounts to two (2) hours or less, the aggrieved employee will be paid for the actual hours worked by the supervisor at the rate of double the employee’s rate of pay at the time of the incident: (b) if the supervisor works more than two (2) hours, the aggrieved employee shall be paid four (4) hours at straight time or actual hours worked at double the employee’s rate of pay at the time of the incident, whichever is greater. If no aggrieved employee can be identified, the payment will be made to the grievant. Such remedy shall be in addition to any other remedies sought by the Union in the appropriate grievance procedure.

If a Supplement, Rider or Addendum does not have a provision requiring notice to the steward when a supervisor works the following shall be incorporated: “In the event a supervisor does preform bargaining unit work, the Employer shall notify the appropriate shop steward as soon as possible.”

In the event that any individual supervisor is found to be in violation of the first paragraph of this Subsection three (3) times in any nine (9) month rolling period, the grievance shall be paid at triple time the employee’s rate for the hours specified in the first paragraph of this subsection.

When business allows, the Company will cross-train drivers not holding a bid route.

Once a TCD has accrued the above-mentioned criteria, the Company will award the bid to the senior individual(s) as outlined in Article 48, Section 1(E). If the individual(s) had been previously qualified, then their seniority date will be one (1) day after the above-mentioned criteria has been met. If the individual(s) has not been previously qualified, then the Company will schedule the individual(s) to attend an orientation class. Once they have completed their probationary period, their seniority date will be one (1) day after the above-mentioned criteria has been met.

The above seniority dates will not supersede another senior employee who is in the process of upgrading to a PCD position when the one hundred and fifty-six (156) reports occurs. If this occurs, the senior employee will have a seniority date one (1) day earlier than the junior employee upgraded as a result of the one hundred fifty-six (156) reports.

The Employer shall provide to the Local Union a report for the period of January 1 through April 30 and every four (4) months thereafter indicating the names of the TCD(s) and the number of days paid to the TCD(s). The report will be provided within two (2) weeks of each ending period.

ARTICLE 60 – HOLIDAYS

SECTION 1 – HOLIDAYS

(A) The following named holidays, or the days observed as such, shall be recognized as legal holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, Christmas Day, and New Year's Eve Day, provided the employees comply with the qualifications set forth hereinafter. One of the qualifications is that seniority employees must complete the regularly scheduled work day which immediately precedes or follows the Holiday, except in cases of proven illness, or unless the absence is mutually agreed to. Newly hired part-time employees are not entitled to holiday pay for named holidays and personal holiday falling within the first year of their employment. Full-time seniority employees shall receive eight (8) hours straight time pay or ten (10) hours straight time pay for those employees on a work week of four (4) ten (10) hour days and part-time employees shall receive four (4) hours straight time pay for the above designated Holidays though not worked. Employees with a four (4) ten (10) scheduled work week will receive eight (8) hours holiday pay for holidays that fall outside of their scheduled work week.

(B) Personal Holidays: All seniority employees shall receive one (1) personal holiday each calendar year.

Personal Holidays shall be awarded by seniority in the order requested within each classification in each Center and the following procedure shall apply: Any employee desiring a personal Holiday will make a request in writing on a form furnished by the Employer. Such a request must be submitted no later than the start of his/her shift on the seventh (7th) calendar day preceding the day requested. A signed copy of the request form stating approval or disapproval shall be returned to the employee by the end of the next working day. If an employee is required by the Employer to work on an approved Personal Holiday, the employee shall receive holiday pay plus time and one-half (1-1/2) for all hours worked. In the event of layoff, full-time seniority employees shall be eligible for Holiday pay provided the Holiday falls within five (5) working days from the effective date of layoff.

(C) Effective each calendar year, all seniority employees, excluding part-time employees hired after August 1, 2002 shall be entitled to seven (7) days by combining two (2) personal holidays with the equivalent of five (5) days sick leave. Part-time employees hired after August 1, 2002 will be entitled to this benefit after being employed three (3) full calendar years and having worked one hundred and fifty-six (156) reports the prior year. In order for a seniority employee to be eligible for this benefit, he/she must have been employed one full calendar year and have worked one hundred fifty-six (156) reports

during his/her prior calendar year. As a result of changing from contract year to calendar year no employee may gain nor lose option benefits. An employee must select from the following schedule:

OPTION 1: Five (5) consecutive days off ~~Monday through Friday~~ with fifty-eight (58) hours pay for full-time employees and twenty-nine (29) hours pay for part-time employees during the vacation period.

OPTION 2: Seven (7) days extra pay, fifty-eight (58) hours for full-time employees and twenty-nine (29) hours pay for part-time employees with no time off. This pay may be taken at Christmas or such other time as the employee may request.

OPTION 3: An employee may elect to take the seven (7) days in one (1) day increments. These days will be paid for the first seven (7) days that the employee does not work each calendar year. Any unused days will be paid for at the end of the calendar year.

An employee must be on the active payroll to qualify for the option benefit when it comes due. In September of each year, each employee who will be eligible shall indicate which of the options he/she elects to choose. If Option 1 is selected, the employee shall indicate after selecting his/her vacation, the five (5) consecutive days off he/she desires.

ARTICLE 63 - REVIEW OF OVERTIME HOURS

The Employer shall continue its efforts to reduce overtime where requested. If the review does not indicate that the progress is being made in the reduction of assigned hours of work, the following language shall apply:

(A) It is the policy of the Employer to cooperate with a package car driver who desires to be relieved of overtime, subject to the understanding that such package car driver will complete his/her assignment, and subject to the provisions below.

An employee who desires to be relieved from overtime on a particular day must make a written request in writing on a form furnished by the Employer. Such a request must be submitted no later than the start of his/her shift on the fifth (5th) calendar day preceding the day being requested.

A signed copy of the request form stating approval or disapproval shall be returned to the employee by the end of the employee's next working day. Such requests shall be granted or denied in accordance with

the terms of this sub-section. If a request is denied on the above referenced form, the employee shall receive a two (2) hour penalty payment at his/her straight time rate if the request should have been granted at this time based on the criteria set forth in this sub-section. This two (2) hour payment shall also apply if the Employer approves the requests and later informs the employee he/she cannot be relieved of overtime, provided the request continues to meet the criteria set forth in this sub-section.

In addition, if an employee's request is granted but the Employer fails to adjust the driver's dispatch so as to provide an amount of work that can reasonably be completed within eight (8) hours which then causes the driver to work in excess of eight and one-half (8.5) hours to complete his/her route, the driver shall be entitled to a two (2) hour penalty payment at his/her straight time rate **and the driver will retain the eight (8) hour request for later use**. No penalty shall be due if the employee exceeds the eight-and-one-half (8.5) hour threshold as a result of events beyond the Employer's control.

The Center Manager and the Steward shall process such requests based on seniority. The Employer shall allow a minimum of ten percent (10%) of the package car drivers worked in any Center off on a daily basis. No package car driver's **dispatch** will be ~~granted~~ **adjusted** more than two (2) ~~requests~~ **times** per month. This sub-section applies regardless of whether the driver has opted in or out pursuant to the provisions of sub-section (B) below. Such requests shall not be submitted during the months of November and December.

(B) The Union shall circulate and collect the names of package drivers who wish to be covered by the provisions of this Section twice each year. These lists shall be provided to the Company by January 5 and June 5 of each year. The Employer shall make a reasonable effort to reduce package car drivers' workdays below 9.5 hours per day **for those on the list** ~~where requested~~. If a review indicates that progress is not being made in the reduction of assigned hours of work, (i.e. the package driver has worked more than 9.5 hours on three (3) days in a workweek), the following language shall apply, except **for the period from November 15th through January 15th of the following year.** ~~in the months of November and December.~~

~~The affected regular package driver may make such a request to be added to the "9.5 Opt In List" effective on the first day of his/her workweek after making the request. The driver shall notify the manager and steward of his/her desire to be added to the list. The request must be made within the time limit for filing a grievance in the applicable Supplement, Rider or Addendum. Once the driver has signed the list, he/she shall remain on the list for five (5) months, except for the period of time specified in the prior paragraph.~~

Employees within the full-time driver classification shall be eligible for the protection of this Section provided: (1) the employee covers a route for a full week; (2) the employee bids or is assigned to cover a route for a full week but is prevented from completing that bid or assignment due to reassignment by the Employer; or (3) an employee with four (4) years of seniority as a full-time package driver.

Drivers who choose to opt-in on the 9.5 list shall have the right to file a grievance if the Employer has continually worked a driver more than nine and one-half (9.5) hours per day for any three (3) days in a workweek. The Company will not assign excessive overtime on the two (2) remaining days within the workweek in order to retaliate against a driver for opting onto the 9.5 list.

The "opt-in" list provided by the Union shall become effective on January 15th and June 15th. A Driver may add or delete his/her name from the list at any time, with one week's notice to the Employer.

If a driver is paid a penalty under this subsection more than **four (4)** ~~three (3)~~ times in a **calendar year** ~~single five (5) month opt-in period~~, then ~~the District Labor Manager and Business Agent will meet with the Center Manager, the steward and the driver to ensure future compliance under this subsection. If any~~

~~further penalty is paid on this employee during the five (5) month period,~~ a meeting shall be scheduled with the **District Labor Manager, Business Agent** ~~above parties~~ and the Co-Chairs of the applicable Supplemental panel to determine what actions are necessary to ensure compliance.

If a grievance under this provision (or a grievance under any excessive overtime provision of a Supplement, Rider or Addendum) cannot be resolved at the local level, including Supplemental Panels the Union may docket the grievance to be heard by the “9.5 Committee”. This Committee shall be composed of two (2) Union and two (2) Employer representatives. The 9.5 Committee shall have the authority to direct the Employer to adjust the driver’s work schedule. Deadlocked cases shall be referred to the Employer’s Vice President of Labor Relations and the Co-Chair of the Teamsters United Parcel Service Negotiating Committee for final and binding resolution.

The Employer’s Vice President and the Union’s Co-Chair shall have the discretion to grant the grievant triple time pay for hours worked in excess of 9.5 hours per day and/or to order the Employer to adjust the driver’s work schedule. In the event the Employer’s Vice President and the Union’s Co-Chair cannot resolve a grievance, either party may refer the matter to arbitration in accordance with Article 8. In the event the position of the Union is sustained, the arbitrator shall have the authority to impose any remedy set forth in this Section.

If there is a deadlocked grievance by the “9.5 Committee” the Co-Chairs of the National Negotiating Committee may require a review of the adequacy of the Company’s staffing in the center in which the grievance was filed. In the event the parties cannot resolve a dispute over whether excessive overtime in violation of this Section resulted from inadequate staffing in the center or other causes, such as temporary unavailability of drivers, either may refer the matter to arbitration in accordance with Article 8. If the position of the Union is sustained, the arbitrator shall have the authority to award any remedy set forth in this Section including back wages at the appropriate rate of pay to the employee(s) adversely affected, as well as appropriate progression credit. The back wages shall be equal to what the employee(s) would have earned as a package driver at the applicable daily guarantee versus what he/she actually earned.

In addition, the Union Chair of the National Negotiations Committee may, at any time, request a meeting with the Employer’s President of Labor Relations to review the adequacy of the Company’s staffing in any center having excessive 9.5 grievances deadlocked at the local level panel. If the dispute cannot be resolved, either party may refer the matter to arbitration in accordance with Article 8, Section 7. The next arbitrator in rotation on the Eastern Panel shall be assigned the case. The arbitrator shall have the authority to award any remedy specified in the paragraph above.

The 9.5 Committee shall also have the authority to ensure that this Section is implemented in such a way as to balance the Employer’s need to protect the integrity of its operations with an employee’s legitimate need to avoid excessive overtime.

ARTICLE 64 – TIME OFF UNPAID

When time off is available it shall be offered in seniority order by classification as long as it does not result in economic cost to the Employer **or then follow the appropriate language in Articles 48 or 49. Issues relating to this language shall be submitted to the Union and Company Co-Chairs of the S.R.A.G.C. for immediate resolution.**
