

Vote No to Stop UPS Contract Givebacks

Two-Tier 22.4 Drivers

“Two-tier 22.4 drivers will be the beginning of the end of good jobs in package. 22.4s will do the same work as us for less pay, with no 9.5 protections. That’s going to create divisions and put a target on our backs. I’m Voting No.”

Eugene Braswell, Local 804, New York City

Harassment

“We were promised language with teeth to stop harassment and excessive overtime. The union started with strong proposals, but the proposed deal is a joke. Unless we Vote No, we’re going to have the same problems for five more years.”

Tyler Binder, Local 344, Oshkosh, Wis.

\$15 & Catch-Up Raises

“Part-timers can win \$15 starting pay, catch-up raises and full-time inside jobs. But we’ve got to Vote No in big numbers.”

Karmen Dilworth, Local 572, Gardena, Calif.

Subcontracting

“Subcontracting is out of control and under the proposed contract it will only get worse. I’m Voting No to protect good Feeder jobs.”

Brian Perrier, Local 767, Dallas/Fort Worth
