

**IT'S TIME
TO VOTE!**

Your Ballot Package Will Arrive Soon

The Teamsters National UPS Negotiating Committee has negotiated the national agreement on your behalf. We have sent you the negotiated agreement. We have made available all the facts of the agreement, and now it is up to you to make your decision.

If you **vote YES** on the National Agreement you will enjoy the wages, health care and pension, and improved working conditions that have been negotiated on your behalf.

If you **vote NO** and reject the National Agreement, you run the risk of a work stoppage without further review by the members.

We are asking everyone to participate in this election. It is important that you exercise your right to vote. If you need further information about the national agreement, it can be found at www.UPSrising.org
