MAINTENANCE OF STANDARDS (PUD)

Section .1. Definitions

The Employer agrees, subject to the following provisions, that all conditions of employment in his/her individual operation relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement except as specifically limited elsewhere in this Agreement, and the conditions of employment shall be improved whenever specific provisions for improvement are made elsewhere in this Agreement.

Section .2. Local Standards.

The Local Unions shall, within one hundred eighty (180) days following ratification of this Agreement, identify and reduce to writing, and submit to the appropriate Regional Joint Grievance Committee, those specific local standards and conditions practiced under this Article. Such standards and conditions when submitted in accordance with this Section shall be currently dated. Those specific local standards and conditions previously practiced hereunder which are not so submitted shall be deemed to have expired.

The appropriate Regional Joint Grievance Committee shall provide to the parties the opportunity to present their views and shall determine the disposition of the submitted local standards and conditions. Failing such determination, the submitted local standards and conditions may be appealed through the remainder of the Grievance Procedure beyond the Regional Joint Grievance Committees to see if the standard exists.

ARTICLE,
PASSENGERS (PUD)

No driver shall allow anyone, other than employees of the Employer who are on duty, to ride on his truck except by written authorization of the Employer, or except in cases of emergency arising out of disabled commercial equipment or an Act of God. No more than two (2) people shall ride in the cab of a tractor unless required by government agencies or the necessity of checking of equipment. This shall not prohibit drivers from picking up other drivers, helpers or others in wrecked or broken down motor equipment and transporting them to the first (1st) available point of communication, repair, lodging or available medical attention.

ARTICLE
EQUIPMENT, SAFETY AND HEALTH (PUD)

Section 1. Safe Equipment

The Employer shall not require employees to take out on the streets or highways any vehicle that is not in a safe operating condition, including, but not limited to, equipment which is acknowledged as overweight or not equipped with the safety appliances prescribed by law. It shall not be a violation of this Agreement or basis for discipline where employees refuse to operate such equipment unless such refusal is unjustified.

It shall also not be a violation of this Agreement or considered an unjustified refusal where employees refuse to operate a vehicle when such operation constitutes a violation of any federal rules, regulations, standards, or orders applicable to commercial motor vehicle safety or health, or because of the employee's reasonable apprehension of serious injury to himself/herself or the public due to the unsafe condition of such equipment. The unsafe conditions causing the employee's apprehension of injury must be of such nature that a reasonable person, under the circumstances then confronting the employee, would conclude that there is a bona fide danger of an accident, injury, or serious impairment of health, resulting from the unsafe condition. In order to qualify for protection under this provision, the employee must have sought from the Employer, and have been unable to obtain, correction of the unsafe condition.

All equipment which is refused because it is not mechanically sound or properly equipped shall be appropriately tagged so that it cannot be used by other employees until the maintenance department has adjusted the complaint. After such equipment is repaired, the Employer shall place on such equipment an "ok" in a conspicuous place so the employee can see the same.

Section 2. Dangerous Conditions

Under no circumstances will an employee be required or assigned to engage in any activity involving dangerous conditions of work, or danger to person or property or in violation of any applicable statute or court order, or in violation of a government regulation relating to safety of person or equipment.

The term "dangerous conditions of work" does not relate to the type of cargo which is hauled or handled.

Section 3. Accident Reports

Any employee involved in any accident or cargo spill incident, involving any hazardous or potentially polluting product, shall immediately report said accident or spill incident and any physical injury sustained. When required by his/her Employer, the employee, before starting his/her next shift, shall make out an accident or incident report in writing on forms furnished by the Employer and shall turn in all available names and addresses of witnesses to the accident or incident. The employee shall receive a copy of the accident or incident report that he/she submits to his/her Employer. Failure to comply with this provision shall subject such employee to disciplinary action by the Employer.

Section 4. Equipment Reports

Employees shall immediately, or at the end of their shift, report all defects of equipment.

(a) Such reports shall be made on a suitable form furnished by the Employer and shall be made in multiple copies, one (1) copy to be retained by the employee and one (1) copy to be made available for inspection by the next driver operating the unit. Such copy will remain in the truck. Any alleged violation of the above shall not be cause for refusal of the equipment, but shall be subject to the grievance procedure. The Employer shall not ask or require any employee to take out equipment that has been reported by any other employee as being in an unsafe operating condition until the same has been repaired or is certified by a mechanical department that no repairs are needed and the unit is safe to drive.

(b) When the occasion arises where an employee gives written report on forms in use by the Employer of a vehicle being in an unsafe working or operating condition and receives no consideration from the Employer, he/she shall take the matter up with the officers of the Union who will take the matter up with the Employer. However, in no event shall an employee be required to take out on the streets or highways a vehicle that is not in a safe operating condition or in violation of any federal rules, regulations, standards, or orders applicable to commercial motor vehicle safety as provided in Section 1 of this Article.

Section 5. Qualifications on Equipment

[UNION AGREES TO ADDRESS THIS IN THE NATIONAL PORTION-PROPOSAL TO FOLLOW]

An employee unable to successfully pass the DOT Commercial Driver's License (CDL) examination will be allowed to take a leave of absence for a period not to exceed one (1) year provided the employee makes a bona fide effort to pass the test each time the opportunity presents itself. [UNION AGREES 10-16-2007]

Section 6. Union Liability

Nothing in this Agreement relating to health, safety or training rules or standards shall create any liability or responsibility on behalf of the Union for any job-related injury or accident to any employee or any other person. Further, the Employer will not commence legal action against the Union as a result of the Union's negotiation of safety standards contained in this Agreement or failure to properly investigate or follow-up Employer compliance with those safety standards.

Section 7. Facilities

Station floors and yards shall be maintained reasonably free from potholes and reasonably effective dust control measures shall be implemented as necessary.

The Employer agrees to maintain a clean, sanitary washroom having hot and cold running water, with toilet facilities and clean break/lunchroom area. The Employer also agrees to maintain sanitary drinking water at all terminal locations. An emergency first aid kit shall be furnished within a reasonable distance of the Employer's dock.

Suitable windshield/window cleaning materials shall be available to include a long handled brush/squeegee.

Section .8 Safety and Health Grievances

Grievances pertaining to Safety and Health shall be heard at the first step local level. If the matter remains unresolved it shall proceed immediately to the National Grievance Panel.

ARTICLE
SUBCONTRACTING AND WORK PRESERVATION (PUD)

Section 1. Work Preservation.

The protection and preservation of bargaining unit work is central to this agreement. For the purpose of preserving work and job opportunities for the employees covered by this Agreement, the Employer agrees that no operation, work or services of the kind, nature or type covered by, or presently performed by, or hereafter assigned to, the collective bargaining unit by the Employer will be subcontracted, transferred, leased, diverted, assigned or conveyed in full or in part (hereinafter referred to as "divert" or "subcontract"), by the Employer to any other plant, business, person, or non-unit personnel, or to any other mode of operation, unless specifically provided and permitted in this Agreement.

In addition, the Employer agrees that it will not, as hereinafter set forth, subcontract or divert the work presently performed by, or hereafter assigned to, its employees to non-employee owner-operators or other business entities owned and/or controlled by the signatory Employer, or its parent, subsidiaries or affiliates.

Section 2. Diversion of Work - Parent or Subsidiary Companies.

The parties agree that for purposes of this Article it shall be presumed that a diversion of work in violation of this Agreement occurs when work presently and regularly performed by, or hereafter assigned to, employees of the Employer has been lost and the lost work is being performed (including transportation by owner-operators and independent contractors) by an entity owned and/or controlled by the signatory Employer, its parent, or a subsidiary, including logistics companies, within one hundred twenty (120) days of the loss of the work. The burden of overcoming such presumption in the grievance procedure shall be upon the Employer.

Notwithstanding the forgoing, the Employer may subcontract only the following: the placement, replacement or repair of drop boxes; centralization and reconciliation of customer supplies; janitorial services; and grounds and building maintenance (non-core business), with thirty (30) days prior notice to the Union, in a way most economically advantageous to the Employer as long as no layoffs are caused directly by such subcontracting or assignment of non-core business. In locations where centralization and reconciliation of customer supplies is currently being performed by unit personnel covered by this Operational Supplement, the application of this provision shall be discussed in the applicable rider. Further, it is not a violation of this Agreement for the Employer to determine the scope of products and services to be offered to its customers or to provide customers with information regarding sources to handle services of the type that are not performed by DHL Express.

Section 3. Subcontracting.

Bargaining unit work shall only be performed by bargaining unit employees except as specifically set forth herein.

It is a violation of this Article to use non-bargaining unit personnel (i.e. supervisors or third-parties) to perform work of the kind, nature or type currently or previously performed by bargaining unit employees, other than non-recurring unforeseen overflow or emergency work, and then only if all available means to use unit employees have been exhausted including overtime. The employer may not divert work outside the unit to avoid overtime.

Furthermore it is a violation of this Article for the size of the bargaining unit to decrease by attrition and the Employer not replace the employees while using non-unit personnel or third-parties to perform work of the kind, nature, or type previously performed by that bargaining unit or to deny unit employees earning opportunities. Likewise, it is a violation of this Article to use non-bargaining unit personnel or third-parties to perform unit work in order to avoid hiring bargaining unit employees when the work justifies the hiring of such bargaining unit employees.

It shall not be a violation of this Article to subcontract work in accordance with existing established past practices provided the volume of such subcontracting does not increase or result in the layoff of unit employees.

The employer shall maintain records identifying non unit persons or entities performing unit work as permitted by the Article as well as the specific type and amount of work performed. Said records shall be made available for inspection by the Local Union(s) in the locality affected by such work.

Section 4. At Home

[TO BE DISCUSSED-PROPOSAL TO FOLLOW]

Section 5. Penalty for Supervisors Performing Unit Work

If any supervisor is determined to have performed bargaining unit work in violation of this agreement, the Company shall pay double the appropriate unit employee's hourly rate for all such work performed to the affected employees as a penalty.

ARTICLE
MANAGEMENT'S RIGHTS (PUD)

The management of the business, its operations and employees is vested exclusively in the Company, except as specifically limited by this Agreement, and then only to the extent of those limitations.

ARTICLE
OPERATIONAL CHANGES (PUD)

Whenever the Employer desires to close and/or relocate, in whole or in part, any facility covered by this Operational Supplement and such closing would result in the transfer of bargaining unit work to another facility, the Employer shall notify all affected local unions and negotiate over the effects of the transfer, including the wages, benefits, relative seniority and the conditions of the move. If the parties are unable to reach agreement within thirty (30) days, the matter shall be resolved through the process set forth in Section ____ (Advanced Level Filing) of Article ____ (Grievance and Arbitration) of this Agreement and will be resolved no later than ninety (90) days following the Company's notice of the move to the affected Local Unions. The National Grievance Panel shall have full authority to set all terms, conditions, and seniority of said movement of work. The movement of work will not be allowed until the National Grievance Panel has ruled on the case.

ARTICLE
UNION ACCESS PROCEDURES (PUD)

The Union will announce his/her arrival to the Facility Manager or his designee. The Union representative will conduct himself/herself so as not to interfere with the operations of facility. The Union Representative will comply with all applicable TSA and other regulatory requirements with regard to security and facility access.

Any required uniform shall be provided in sufficient number for a full work week, allowing for a daily change of uniform pants/shorts and shirt. The uniform will have the Teamster emblem applied. The current practice of including shorts as part of the uniform option will be continued.

If the Company plans to change the uniform fabric content it shall first meet with representatives of TDHLNNC to discuss the climate appropriateness of the new fabric. If the Company requires steel toed or other safety shoes, it shall negotiate with the union over the application and cost of such shoes.

ARTICLE
SCOPE AND ASSIGNMENT OF UNIT WORK (PUD)

Section .1. Operations Covered.

- A. The execution of this Agreement on the part of the Employer shall cover all pick-up and delivery employees and operations as may be presently or hereafter represented by the Union, provided that the coverage of this Agreement shall be limited to those operations of the Employer and classifications specifically set forth in Appendix ___ to this Agreement, which may be updated from time to time during the term of this Agreement.

- B. In those situations where there is an interface between employees in different classifications and/or different Local Unions, e.g., counter work, dock checks, and ramp operations involving more than one (1) Local Union, nothing shall prevent the Employer from temporarily assigning unanticipated non-recurring incidental work to any employee when necessary in a specific instance to handle a specific customer issue such as answering a ringing phone or accepting a customer's package at the counter when the normal counter person has stepped away momentarily, provided that the employee to whom such work is assigned is covered by the National Agreement. Nothing herein shall provide the Employer with the right to violate any other provisions of this Agreement or any supplements thereto or to undermine the jurisdiction of any Local Union. This provision is intended to apply in situations normally involving less than 10 minutes.

- C. Except as otherwise expressly provided in the National Agreement or this Operational Supplement, the bargaining unit work set forth in Paragraphs A and B above, shall be performed exclusively by unit personnel and not by supervisors, management or any other non-unit personnel.

ARTICLE
JOB BIDDING AND FILLING OF VACANCIES (PUD)

Section .1. General Bid – Full-Time Couriers/Drivers.

Within three (3) months following the ratification of this Agreement, and every January 1 thereafter (to be implemented February 1), the Employer shall post for bid all available courier and driver positions at each terminal covered by the terms of this Operational Supplement. Ninety per cent (90%) of such posted positions shall be posted as routes, including geographical descriptions (rough boundaries), scheduled start times and normal workdays. A regular established starting time is defined as not varying by more than one (1) hour, and such variance shall not occur more than one (1) day per workweek as set forth on bid. The remaining bid positions at each terminal covered by this Operational Supplement shall be posted as open bids (i.e. start time bids). Employees covered by the terms of this Operational Supplement will bid on available routes in their terminal in order of terminal seniority, and the bid will be completed within four (4) weeks of its posting at the terminal in question. The Company may, at its discretion, have bids semi-annually in order to address operational needs.

A route permanently vacated or newly established shall be posted within five (5) days for five (5) working days, during which time couriers shall be afforded the opportunity to bid such vacated or new routes based on terminal seniority. The successful bidder shall be the most senior qualified courier and shall be awarded the posted vacancy or new route the Monday following the expiration of the five (5) day posting period. A permanent vacancy shall include a route covering an area that is delivered five fully scheduled days a week for a thirty (30) day period, except for routes established during peak.

[BUMP AND ROLL – THE FIRST TWO OPENINGS SHALL BE BID; THEREAFTER SENIOR MAY, JUNIOR MUST]

When a courier's route is split and a new route is created, the affected courier shall be allowed to select either of the resulting routes. If necessary to maintain the 90%/10% split set forth above, the Employer shall fill that route and any resulting vacancy in the same manner as a permanently vacated route.

When a courier's assigned route is permanently changed by fifty percent (50%) or more of its delivery stops, said courier shall have the right to follow the major portion of the original delivery route. When more than one (1) courier's route is affected, those affected couriers shall be afforded the opportunity amongst themselves to bid the routes affected in accordance with their terminal seniority.

Subject to the foregoing, the Employer retains the right to modify routes in order to ensure timely and efficient operations.

Section .2. General Bid – Shuttle/Dock in Miami, Los Angeles, Denver, and Dallas.

[TO BE NEGOTIATED IN LOCAL RIDERS]

Section .3. Part-Time Employees

[TO BE DISCUSSED]

Section .4. Saturday Bid.

[TO BE DISCUSSED]

Section .5. Down-Grade to Part-Time.

Full-time employees desiring to downgrade to a part-time position for legitimate reasons may do so, provided consent thereto is granted by both the Employer and the Union. Such consent shall not unreasonably be withheld.

Except as otherwise specifically provided herein, upon the commencement of the downgraded part-time position, the employee's wages and benefits shall henceforth be computed and be determined solely as a part-time employee under the provisions of this Agreement.

Following the downgrade, the employee may not thereafter bid up to a full-time position unless an additional (i.e., "new") or vacant position is available and no full-time employee desires to bid into the position. Moreover, should such employee upgrade to a full-time additional or vacant position as aforesaid, the employee may not thereafter seek another downgrade for the life of the Agreement or for two (2) years, whichever is greater.

- A. Definition.** A part-time employee is an individual who is scheduled to work a guaranteed minimum of at least (3) hours per day and fifteen (15) hours per week up to a maximum of thirty-two (32) hours per week. Part-timers shall not be scheduled to work more than 32 hours in a week.
- B. Use of Part-Time Personnel.** The Employer may employ part-time personnel to fulfill its operational needs subject to the terms and conditions set forth in this Operational Supplement. For example, the Employer may assign part-time personnel to load and unload vehicles and sort packages, to conduct ramp operation, and to perform delivery work as non-driving drivers helpers during peak season (October 1 through December 31).

Part-timers shall not be permitted to work a split-shift.

Section .2. Casuals

- A. Definition.** A casual employee is an individual who is included in the bargaining unit but who is not on the regular seniority list and who is not serving a probationary period. A casual may either be a replacement casual or a supplemental casual as hereinafter defined. Casuals shall not have seniority status. Casuals within the jurisdiction of a Local Union cannot be utilized when full time employees are on layoff within the jurisdiction of that Local Union unless laid-off full-time employees within the Local Union have been offered said work at the normal full-time wages and benefits.
- B. Replacement Casuals.** Replacement casuals are defined as employees who may only be utilized by the Employer to replace regular employees when such regular employees are absent due to illness, pending acceptance and return to work following notice of recall, vacations or other absence, except when an absence of a regular employee continues beyond three (3) consecutive months, a replacement casual shall not thereafter be used to fill such absence, unless the Employer and the Local Union mutually agree to the continued use of a replacement casual. To

be considered a replacement, the casual must work on the same day that the absence occurred, doing the same work as the absent employee otherwise would have done within three (3) hours of the absent employee's scheduled start time. A casual when called to work shall be guaranteed three (3) hours pay when replacing a part-time shift, and eight (8) hours pay when replacing a full-time shift.

- C. Supplemental Casuals.** Supplemental casuals may be used to supplement the regular work force if all available regular employees are working or scheduled to work. Casuals put to work, shall be guaranteed eight (8) hours of work or pay per day. Supplemental casuals may only be used during the time period from October 1 through December 31.

[NOTE: The Employer will propose in a separate side letter the following terms:

If the total number of full-time employees falls below this number at a given station the employer shall not be allowed to use part-time p.m. drivers at that station for as long as the total number of full-time employees remains below this number.

[NOTE: Discuss treatment of existing sick leave banks, if any.]

ARTICLE
SENIORITY, LAYOFF & RECALL (PUD)

Section .1. Definition.

Seniority shall prevail. Terminal seniority, rather than master seniority, shall be used for all purposes, except where a Local Union Rider provides otherwise with regard to layoff and recall.

- Master seniority shall be defined as the most recent date of hire with the Company.
- To the extent that the Company and the Union agree to set a fringe benefit date for an employee, the date upon which an employee first establishes fringe benefit eligibility shall continue as that employee's benefit eligibility date for vacation, holiday, pension, and health and welfare eligibility, unless the employee loses seniority under other provisions of this Agreement.
- Terminal seniority shall be defined as the master seniority date applied within an individual terminal.

Section .2. Probationary Period

- A. **Definition.** All newly hired employees within any unit covered by this Agreement, and any Local Supplement thereto, shall be subject to a probationary period for sixty (60) calendar days, commencing with the first day on which the probationary employee regularly performs work for the Employer as a regular full-time or part-time employee. Days lost from work for any reason during the probationary period shall not be considered in computing such time period. The Employer, Employee and the Union may agree in writing to a thirty (30) calendar day extension of the probationary period for new employees.
- B. **Seniority.** Seniority shall not accrue during the probationary period. Upon successful completion of the probationary period, however, an employee's seniority shall relate back to and be calculated from his/her date of beginning work within the unit covered by this Agreement.
- C. **Discharge.** At any time during the probationary period, the Employer may layoff, discharge or discipline probationary employees and such action shall not be subject to the grievance and arbitration procedures of this Agreement. Upon attainment of seniority status, an employee's record shall be clear.

- D. Benefits Eligibility.** Unless otherwise provided, probationary employees shall not be entitled to fringe benefits set forth in this Agreement during their period of probationary employment and there shall be no retroactive payment for the same upon the successful completion of such period. Such probationary employees, however, shall be paid the contractual minimum wage rate for the classification in which they are placed. In those areas where Health, Welfare and Pension funds require payment then Employer shall make the necessary contributions.

Section .3. Posting of Seniority List.

Full-time and part-time employees shall be placed on separate seniority lists as of their first date of hire in their status as full-time or part-time employees with the unit covered by this Agreement. Seniority shall be measured by length of service in such status with the Employer as a bargaining unit employee. For example, a part-time employecc transitioning to full-time status will not be credited with his part-time service for seniority purposes. Such time, however, counts for all other purposes such as vacation going forward on a pro-rata basis. Pro-rata basis shall be computed by adding the total number of hours worked in the employee's work history divided by 2080. However, a full-time employee transitioning to part-time status will maintain his date of hire into the full-time covered position as his seniority date after he has transitioned into the part-time position. Employees voluntarily transitioning to part-time status must stay in that part-time status for one (1) year. Existing employees entering the unit on the same day in the same status shall be placed on the seniority roster in order of Company seniority; newly hired personnel entering the unit on the same day shall be placed on the seniority roster by alphabetical order.

The Employer shall give the Local Union a seniority list at least every six (6) months or on reasonable request by the Local Union. The Employer shall also post a seniority list at least once every six (6) months and shall maintain a current seniority roster at each covered facility. Protest of any employee's seniority date or position on such list must be made in writing to the Employer within thirty (30) days after such seniority date or position first appears, and if no protests are timely made, the dates and positions posted shall be deemed correct. Any such protest which is timely made may be submitted to the grievance procedure.

Section .4. Employee Address and Phone Number

It shall be the responsibility of the employee to keep the Employer informed of the employee's current address and telephone number. An Employee shall notify the Employer within thirty (30) days, in writing, of any change of address or telephone number.

Section .5. Layoffs.

Should it become necessary for the Employer to reduce its work force, layoffs shall be effectuated on the basis of master seniority by classification within the jurisdiction of the Local Union in accordance with their Local Rider. When the force is again increased, the employees are to be returned to work in the reverse order in which they were laid off. Where work is moved to another terminal, the senior affected employees shall be permitted to follow that work.

Section .6. Notification of Layoff.

In the absence of emergency or other uncontrollable circumstances, the Employer shall provide notification of layoff to affected employees by the end of the shift prior to the layoff. A copy of such notice shall be provided to the Steward and sent via fax or email to the Union.

Section .7. Recall.

Unit employees on layoff shall be recalled to fill available vacancies for which they are legally qualified (i.e. licensed) in reverse order of layoff (i.e., last to be laid off – the first to be offered recall), in accordance with the following procedures:

1. In the event of a recall, the laid off employee shall be notified by receipted mail addressed to the employee's last reported address on file with the Employer, with a copy to the Union. Such employee must advise the Employer within seven (7) days, excluding holidays and weekends, after delivery of the recall notice at such address whether or not he/she accepts the recall offer. Recall notices which are not successfully delivered to the affected employee's residence of record due to an incorrect address resulting from the employee's failure to advise the Employer of his/her current correct address, shall nevertheless be deemed "received" as of the date and time the initial delivery had been attempted.
2. In the event the employee declines the recall offer, or fails to notify the Employer of his/her decision within the above-mentioned seven (7) days, excluding holidays and weekends, the employee shall lose all seniority rights under the Agreement and be considered a voluntary quit.
3. Any employee who timely accepts a recall pursuant to a written recall notification delivered under the provisions of Paragraph ___ above, shall report to work at the start of his/her shift within fourteen (14) regularly scheduled work days following the day on which he/she timely notified the Employer of the timely acceptance of recall, or within such greater period as may be mutually and reasonably agreed upon by the Employer and employee. Failure to return to work within the aforesaid time period following the acceptance of the recall, shall result in the employee's forfeiture of all his accumulated seniority and he/she shall be considered a voluntary quit.

4. Should the Employer be faced with dire, serious operational issues and be in urgent need of an employee(s) to fill a vacant position(s) for which the laid off employee is qualified, the Employer may attempt initially to recall qualified laid-off employees, in department seniority order, by telephone. In all such cases, the Union shall be notified prior to commencing the telephone recall procedure, and be afforded the opportunity to be physically present at the time and place where all such calls are being made. In addition, the Employer shall maintain a written log with the name of the individual called, the telephone number called, and the date and time of each such call. It is expressly understood and agreed, however, that the Employer must follow-up all such telephone calls with written recall notifications as provided in Paragraph ___ above.

5. Unit employees (excluding probationary and casual employees) shall enjoy recall rights by terminal for a period not to exceed five (5) years following the effective date of the layoff, or for the length of the employee's continuous service with the Employer in the unit covered by this Agreement, whichever is less.

Section .8. Termination of Seniority.

Seniority shall be broken only by:

1. Discharge.
2. Voluntary quit or retirement.
3. Performing no work for more than five (5) years. This five (5) period does not begin to run until ratification of this agreement.
4. Failure to respond to a notice of recall.
5. Failure to return from an authorized leave of absence.
6. Unauthorized failure to report to work (no call/no-show) for three (3) consecutive days when work is available.
7. Voluntary leaving of a classification of work covered by this Agreement and remaining in the employ of the Employer in some other non-unit capacity, except pursuant to an inter-bargaining unit transfer specifically authorized by the terms of an Operating Supplement or Local Rider.

In any week in which paid holidays fall, the guaranteed workweek shall be reduced by eight (8) hours for each such holiday when such holidays fall within the scheduled workweek.
