Employees, who successfully bid in the velocity improvement change, waive their right to bid in the Utility Employee Change. However, employees may waive their right to bid in the Velocity Improvement Change and exercise their seniority to bid in the Utility Change of Operations. Unsuccessful bidders in the Velocity Improvement Change may also bid in the Utility Employee Change.

3. Bidding under the Velocity Improvement Change of Operations shall be conducted as follows: The bidding of gaining positions at those locations affected by the Velocity Improvement Change of Operations (road, dock, switcher) shall be on a pool dovetailed seniority basis, based on each employee's bidding and layoff seniority dates at the time of the bid, and bid individually to each of the respective road, dock and city (switcher) seniority lists. Both active and inactive employees shall be afforded the opportunity to participate in the bidding; provided, however, employees hired on or after April 1, 2008, shall not be eligible to bid. The employees will be bid active to active and inactive to Inactive. An employee who elects not to bid a gaining position under the Velocity Improvement Change may bid in the Utility Employee Change of Operations.

4. Local Unions are not permitted to bid more positions by classification under the Velocity Improvement than they are losing.

5. At those gaining facilities where there are employees on letter of layoff who are senior to employees transferring in, the senior employees may not exercise their seniority to bump the less senior employee unless and until such time as they are recalled by letter of recall or worked back on by the terms of their Supplement to fill regular available work opportunities, at which time they shall be dovetailed on the active seniority list, but will

not be able to displace a less senior Utility Employee prior to January 1, 2009, after which the Utility Employee positions will be bid consistent with the Local Union practice or consistent with the applicable Supplement. However, in the event of a layoff, employees will be laid off in seniority order.

6. Southern Modified Seniority shall be exercised in accordance with the Southern Region Over-the-Road Negotiating Committee's agreement of July 27, 1999, and shall become effective after the general bidding procedures provided in this decision have been completed.

7. 8. Employees in Local Unions which maintain a single line seniority list (common road and local cartage seniority list) will be bid from the top of the list for all classifications.

9. Employees in Local Unions which maintain separate classification seniority list (separate road and local cartage seniority list) shall bid based on their road or local cartage bidding seniority at the time of the bid.

10. Qualified employees who are on long-term disability (LTD) at the time of the bid shall be allowed to bid. The successful hold-down bidder shall be dovetailed on the applicable seniority list at the facility they bid into until such time as the LTD employee is able to claim his bid, at which time the hold-down employee will be afforded the opportunity to either return to the facility he bid out of with full dovetail seniority or remain at the hold-down facility, in which case he will be given a new seniority date as of the date the hold-down began, but shall retain his present bidding and layoff seniority date for vacation purposes. Employees bidding a hold-down position shall not be entitled to any moving or lodging expenses set forth in Article 8, Section
