

YES

NO

Are you TOO DUMB to vote?

That's what some BLET officials say.

Some BLET officials—including many of our incumbent Officers—have said that you don't have the knowledge to decide who should run your union.

Now they've put forward an initiative to try to take your Right to Vote away—and cancel the scheduled leadership election.

But before they get their way, you get to vote on their proposal. Prove them wrong. Vote NO and keep your right to vote.

PROVE THEM WRONG—VOTE NO
