

MAKE UPS DELIVER THE CONTRACT WE DESERVE

Our contract at UPS doesn't expire until Aug. 2013. But the International Union and UPS are planning to negotiate the next contract early.

UPS Teamsters are also preparing early to make sure that any early deal makes UPS deliver the contract we deserve.

UPS TEAMSTERS ARE STANDING TOGETHER TO:

- Protect Our Benefits and Win Better Pensions
- Win Higher Wages Especially for Part-Timers
- End Trumped Up Discipline for "Dishonesty"
- Stop Production Harassment & Excessive Loads
- Create More Full-Time Jobs So Part-Timers Can Go Full-Time and Drivers Can Get Relief from Excessive Loads
- Stop Subcontracting Feeder Work and Packages to the Post Office
