Teamsters Local Union 89

Dear Sir and Brother:

We have received reports that some members of Local 89 have received incorrect and/or incomplete ballot packets. This has occurred as a result of a production error and may result in some members who are covered by the Air Rider only receiving the Master and Central Region information and ballots.

In order to ensure that all members of Local 89 have the right number of ballots and all of the contractual information that applies to them, we have decided to reprint all of the ballots on different color paper and re-mail to the entire membership. **Please advise your members that if they have received a ballot packet, they should discard those ballots and wait for the new materials before voting.**

We obviously regret that this has occurred. In order to ensure that Local 89 members have the same amount of time to discuss the contract and cast their votes as all other UPS members, we have extended the deadline for members of Local 89 to return their ballots until June 22. Notices to that effect are being included with the new ballots. **The members are also being told that if they have already voted, they need to vote again using the new ballots.**

I trust you will join with me in urging members to vote the new ballots and confirm the information contained in this letter in order to minimize any confusion. I would also appreciate it if you would post this letter at all UPS facilities.

Fraternally yours,

A handwritten signature in black ink that reads "Ken Hall".
