Re: Another Supplement Passes

Date: December 18, 2013

---

I am pleased to announce that today the LAI (Air Cargo) Supplement was passed by the membership. In addition, the Local 135 and Western Pennsylvania Supplements have been agreed to and endorsed by the Supplemental Negotiating Committees. Both Supplements will be sent out for balloting at the beginning of the year.

This leaves only three supplements that need to be resolved before we can ratify the contract and our members can enjoy all of the benefits in the National Master Agreement including the retro pay for raises earned since August 1<sup>st</sup>.

The three outstanding Supplements are the Local 89 Rider, Local 623 Supplement and the Ohio Rider. I am hopeful that the Supplemental Negotiating Committees for these supplements and riders can reach agreements soon that their members will find acceptable. I know everyone would like to bring this process to a close soon so our members can enjoy all of the benefits and protections in the new Agreement.
