ABOUT THIS INFORMATION

The Teamster Rank and File Education and Legal Defense Foundation (TRF) analyzed hundreds of LM-2 financial reports and IRS 990 tax forms for 2013, which have been filed by locals, joint councils, conferences, and the IBT. The information is factual and nonpartisan, and includes every officer we have salary data for.

A longer salary list, with hundreds more officers who made at least \$120,000 salary in 2013, is available at **www.TDU.org**.

At that same TDU website you can find out how to access the LM-2 report for your own local union.

Get a list of officers who made less than \$150,000 at www.TDU.org

CONCESSIONS FOR YOU–RAISES AT THE TOP

Hoffa, Hall and top Teamster officials delivered concessions members—but provided raises and multiple salaries for themselves.

James Hoffa and Ken Hall spent their time this year telling Teamsters to take concessions-wage cuts, longer wage progressions, healthcare, and pension cuts.

You've heard them, "Times are tough. We all have to tighten our belts."

But the belt-tightening stops at Hoffa and Hall's door. And so do the big bucks.

Hoffa hiked his pay by more than \$6 an hour last year—an increase of \$13,539 in just one year. His total annual compensation is now a whopping \$381,403.

Hoffa's salary is limited by language in the Teamster constitution, but he gets around that by taking a "housing allowance" of \$60,000.

Hoffa paid an extra salary to 99 of his appointees—each of whom had other full-time salary and job. The cost of those multiple salaries: \$3 million.

In all, 44 Teamster officials made over \$200,000 last year, an 8 percent increase.

The Teamster Hypocrisy Award goes to ...

The fattest hogs in the Teamsters were among the biggest promoters of concessions.

Pat Flynn and Mike Sweeney of Chicago Local 710 took home nearly \$1 million last year from one local union. Flynn's compensation was \$503,435 and Sweeney's was \$387,349. They each took a raise of well over \$100,000.

During the same year, they tried to convince most of their members to take concessions, at YRC, ABF, Holland, UPS Freight, and UPS. In every case, the Local 710 members voted No.

Flynn and Sweeney have been charged by the Independent Review Board (IRB) on embezzlement charges which will likely end their Teamster careers. They won't be missed.

But many other Teamster officials sold contract concessions to working Teamsters while taking pay increases themselves. Take a look at the \$150,000 Club and you'll see them.

Teamster Perks or Teamster Power?

Many Teamster officials work long hours and they deserve to be fairly compensated. Union leadership is not easy.

Teamster members work hard too. Our dues money should be used to build Teamster Power—not perks for select officers.

When Hoffa first ran for office, he promised to "cut n cap" overly high salaries. But since he's been in office, Hoffa has jacked his pay up again and again.

He promised to cut multiple salaries. But when he took office, the International paid only a halfdozen salaries to appointees who had other full time jobs. That number has ballooned to 99.

The Teamster officials who get multiple salaries read like a who's who of Hoffa campaign donor list. That's no coincidence.

TDU believes our dues money should be used to organize, fight concessions and win good contracts.

Hoffa and Hall use our dues to promote concessions and buy support from local officials.

It's up to Teamster members to take back our union—and put our dues to work for us.

They Don't Have a Clue

"When I look over this list, I see Ken Hall and so many other officers that negotiated the UPS contract and supplements. It's true they got part timers a raise but with their salaries

and benefits, most of these officers don't have a clue as to what it's like to work for \$11/hour. They're out of touch with the membership and it shows in how little they fought for us."

Kurt Marchetta, UPS Part-time Local 542, San Diego

Put Dues to Work for the Members

"When we elected new officers in my local, they cut their salaries by \$300,000 and put that money into contract campaigns and new organizing. The Teamsters should be putting

our dues to work for the members."

Armando Brasil, Rhode Island Hospital Local 251, Providence
