Rumor I hear is that his minions are preparing a letter to send to the Hill in opposition to the legislative proposal. Ken Hall is the guy to talk with at the IBT but I am doubtful he can turn it around. He also has his hands full with the UPS vote which is being counted today. I do not believe they are planning on dispatching troops to the Hill or making any visits but simply write a letter that they will likely post on their web site to offset some of the TDU noise. A true profile in courage.
