ARTICLE 40. SCOPE OF AGREEMENT

Section 6. City or Local Work

Local dock work or city pickup and delivery service is not subject to the terms and conditions of this Agreement, but is subject to a separate Agreement entered into between the Employer and the involved Local Union. Employees subject to this Agreement shall not be permitted to perform dock work or city pickup and delivery service where the performance of such work conflicts with the Local City Pickup and Delivery Agreement between the Employer and a Local Union affiliated with the I.B.T. and except as specifically permitted herein.

Under no circumstances will out of classification employees be utilized in the Over-the-Road operation, unless mutually agreed between the Local Union and the Employer and the approval of TNFNC.

ARTICLE 41. ABSENCE

NO CHANGE, EXCEPT THE FOLLOWING:

Section 2. Leave of Absence

Sick/Personal Leave

(c) Effective April 1, 1980, employees shall accumulate five (5) days sick/personal leave per year. Compensation for sick/personal leave will be based on the hourly shift the employee is working at the time of the absence, not to exceed forty (40) hours for each contract year.
S-03

Sick/personal leave not used by March 31st of any year will be paid on March 31st of the normal pay period in January each year, at the hourly rate then in existence.

The Employer may request that unused sick/personal leave be accumulated. The employee at his/her discretion may agree to accrual. Pay for accrued sick/personal leave shall be at the contract rate at the time paid.

Sick/personal leave shall be paid on the first (1st) day of absence.

The National Negotiating Committee may develop additional rules and regulations to apply to sick leave provisions negotiated in the 1976 NMFA and amended in this Agreement uniformly to the Supplements. The Committee shall not establish rules and regulations for sick leave programs in existence prior to April 1, 1976.

Accrual and cash out dates for sick leave will move from April 1 to January 1 effective January 1, 2009. Employees will accrue five (5) days between 04/01/08 and 12/31/08 with any cash out on January 1, 2009. No employee would lose their entitlement to the cash out on January 1, 2009, because of the “ninety (90) days of compensation rule”.

ARTICLE 42. SENIORITY

NO CHANGE, EXCEPT THE FOLLOWING:

Section 5. Time Off

The Employer shall provide in its dispatch rules and/or procedures suitable provisions relating to time off at the home terminal.

Any procedure or rule agreed to shall not be less than the following:

When an extra board driver has performed six (6) tours of duty, the driver is entitled to thirty-six (36) hours off on request. If the driver does not take the time off, the driver will be entitled to seventy-two (72) hours off after twelve (12) tours of duty on request.

Drivers may exercise the option of adding their ten (10) hours statutory rest period to their earned time off. The option must be requested in writing at the dispatch window on completion of six (6), twelve (12), or eighteen (18) tours.

Drivers that earn thirty-six (36) hours, seventy-two (72) hours or ninety-six (96) hours off by completion of six (6), twelve (12) or eighteen (18) tours in conjunction with approved vacation (daily or weekly) shall be entitled to the earned time off in addition to the vacation.

If the driver does not take time off, the driver will be entitled to ninety-six (96) hours off after eighteen (18) tours of duty, on request. The driver may take the time off only after the sixth (6th) or twelfth (12th) or eighteenth (18th) tour of duty. If a driver has performed less than six (6) tours and is dispatched and returns with more than six (6) tours, it will be considered six (6) tours for requesting time off.

EXAMPLE: A driver has five (5) tours and is dispatched. Upon return the driver has seven (7) tours. The driver will qualify for time off even though it is not six (6) or twelve (12) tours.

If a driver chooses not to take time off, the driver may run twenty four (24) tours or more and shall be entitled to thirty-six (36) or seventy-two (72) or ninety-six (96) hours off on request. If a driver has accumulated sufficient time off and more than ninety-six (96) hours is requested, that time off shall be subject to not more than fifteen percent (15%) of the active extra board drivers being off for any reason, excluding vacations and long term illnesses. The driver must run six (6) more tours of duty before being eligible for time off again.

A driver may accumulate up to thirty (30) calendar days off.

If a driver requests thirty-six (36) hours off and goes back on the board in less than thirty-six (36) hours, it shall be considered as thirty-six (36) hours off.

Beyond the thirty-six (36) hours, all time off shall be considered as twenty-four (24) hour periods.

An extra board employee shall not be compelled to report to work at home terminal until he/she has had ten (10) hours off-duty time.

Whenever any Employer arbitrarily abuses the free time allowed in this Section, then this shall be
considered a dispute and the same shall be subject to being handled in accordance with the grievance procedure set forth in this Agreement. If an extra board driver has been available for fourteen (14) days, but has not performed six (6) tours of duty, the driver is entitled to thirty-six (36) hours off on request.

Bid Drivers may drop their sixth (6th) trip on six (6) day turn around runs, or sixth (6th) trip on three (3) and three (3) laydown runs at the drivers option. **Turn bid drivers may use any compensated day as a trip toward dropping their sixth (6th) bid run. Layover bid drivers must use two compensated days to count as trips in dropping their third (3rd) trip every other week.**

Extra-Board Drivers may slide one (1) call “periods” or “Blocks” upon arrival at the home terminal, provided the extra-board is not exhausted, unless otherwise agreed.
