Next Steps Regarding Tentative National Carhaul Agreement

The Teamsters National Automobile Transporters Industry Negotiating Committee reached a tentative agreement on August 31, 2015 for a new national carhaul contract. The Teamsters Committee unanimously endorsed the tentative agreement.

Here are the important next steps:

1. On Tuesday, September 22nd leaders from local unions that represent carhaul Teamsters will meet to review and vote on endorsement of the tentative agreement. Local Union endorsement paves the way for members to vote on the terms of the new agreement. Ballots and the tentative agreement changes will be mailed to members on or about Friday, September 25th, with a count of the return ballots scheduled in mid-October.

2. Also on Tuesday, September 22, carhaul Teamsters are invited to participate on a national conference call at 7 p.m. Central Time (8 p.m. Eastern) to get information about the tentative agreement. Callers will also be able to submit questions about the tentative agreement. The call in number is 877-327-9495, the ID code is 111566.

3. Following the September 22 meeting, information about the tentative agreement will be mailed to carhaul members and also posted online at www.teamster.org/carhaul-2015

“Our goal was to reach an agreement that provides our carhaul members with job security, protects and maintains their benefits and makes sure they are fairly paid for the hard work they do,” said Roy Gross, Assistant Director of the Teamsters Carhaul Division.

“The Negotiating Committee unanimously endorsed the tentative agreement, which addresses the major issues that members outlined in bargaining surveys and local union meetings,” said Kevin Moore, Director of the Teamsters Carhaul Division.

The employer group had sought economic concessions, but the Teamsters Negotiating Committee was able to beat back all economic concessions.
