Subject: Dannon

Dannon has called their annual meeting in France for April 4-5th of this year. I didn't go last year, and since we have organized two new units besides the San Antonio unit, and there are three more possible, I think I should go. Actually the coach ticket is \$1,300, unless of course you want to authorize business class. I am going to bring Deb and spend a week, so I need to know if it is ok to go so I can get my arrangements and then make hers. Can you let me know if this is ok, ASAP. Thanks-
