

On November 28, We're Voting **EXPERIENCE MATTERS**

Union Representation You Can Count On

"When Vinnie Perrone was our Business Agent, the members knew they'd be protected in the office. Grievances got paid.

Management thought twice because they were held accountable. For representation I can count on, I'm voting for the Experience Matters Slate."

Domenick Dedomenico, *Package Steward, Maspeth*

I Won't Be Fooled By Empty Promises

"I was fooled three years ago. I'm not getting fooled again. I'm voting Experience Matters."

Amy Goldstein, *Local Sort, Suffolk*

Experience Beating Back Harassment

The Experienced Matters Slate has experienced harassment first-hand and they know how to beat it back. They've helped me and a lot of other people be more effective stewards. They're running for the right reasons which is to help the members."

Damian Contreras, *Package Steward, Laurelton*

Unity, Not Division & Negative Campaigning

"Other slates can't run on their record, so they're slinging mud. I'm tired of the divisions and negative campaigning. We need leaders who will bring us together to stand up to UPS."

Eugene Braswell, *Alternate Steward, Foster*

A Voice for Part-Timers and Inside Workers

"The leaders on the Experience Matters slate have been in the trenches fighting for ALL the members, whether you're a driver or work on the inside. I'm backing them because I trust them to have our back."

Kioma Forero, *Maspeth*

Real Leadership with Real Plans

"We need real leadership with real plans. No more pretenders trying to figure it out as they go."

Shane Devine, *Package Steward, Melville*
