FRED ZUCKERMAN, CANDIDATE FOR TEAMSTER GENERAL PRESIDENT

Stand Up for Food Service Teamsters

"Food Service work is brutal. While we're humping cases and damaging our bodies, management is harassing us to work faster. We need an International Union that will take on Sysco, US Foods and other companies. Bargaining contracts local by local by local isn't enough. The employers have a national strategy. We need one too. I'm voting Fred Zuckerman and Teamsters United."

BENNY HERNANDEZ, SYSCO, LOCAL 186 PRESIDENT, VENTURA, CALIF.
