Friday, October 19, 8pm

Mexican Heritage Plaza, 1700 Alum Rock Ave., San Jose

Celebrate Strong Women and Women's Rights at our WOMEN'S NIGHT performance of *DePARTera* with a post-performance by Indigo Mateo, an Afro-Latina, Jersey risen singer-songwriter and activist. Based in the Bay Area, she performs to empower others around her in discovering the art of self love and political activation.

Inspired by real stories gathered from our community, *DePARTera* is a witty, modern take on Día de los Muertos. Inspiring music, touching stories, and diverse characters make this a world premiere you won't want to miss. *DePARTera* is performed bilingually in English and Spanish.
